Our New Year
Introductory
Sale

WE have just finished a wonderfully prosperous year. One in which all our past sales-records were thrown so far in the rear that it will require the most vigorous and untiring work to surpass them. But work is our pastime and we are going to do it.

Your splendid patronage has placed increased purchasing power in our hands, the force of which will be felt in the ever increasing values that will benefit every money-wise person in this county who is wise enough to profit by it.

Keep Your Eye on Us all this Year
and Watch Us Grow.

southwest or at about right angles with the centre of the navy yard and dry dock. The layers stood on edge, which was also favorable. On this account the work has been of special interest to geologists, representatives of the state having spent some time there during the summer making investigations.

WORK COMMENCED IN 1902.
For over a century, or from the time of the birth of the navy yard this point has been a menace to the development of the yard, and while numerous attempts had been made to have the government provide for its removal, it was not until the big \$1,000,000 dry dock was well under way that the item of \$750,000 was inserted in the naval bill in 1902 for the removal of the point, or at least 320 feet of it, to a depth of 35 feet at mean low water.

The following August the contract was awarded to the Massachusetts Contracting company for \$740,000.

The excavation had been carried out directly under the cofferdam, the maximum excavation being 64 feet 6 inches. This left a rim of solid ledge, estimated at 35,000 cubic yards, varying in thickness from 40 to 90 odd feet, and with an elevation of from 30 to 60 feet. The bottom of the pit had been cleared away to the required level, and huge horizontal drills, especially constructed set at work boring 200 odd holes at the bottom outward, the longest being 60 feet. They vary from six inches at the mouth to 2 1/2 inches at the end. At the extreme end of the point, where the ledge was especially hard, ten or a dozen holes were bored at a height of 20 feet from the ground and along the shore ends of the rim 18 vertical holes, 18 feet in length, have been bored.

Song, Entitled the County Ticket.

Tune—Yankee Doodle.

Election time is drawing near,
We must call your attention—
To the solid men from whom to vote,
Their names I now will mention;
They're honest, upright, brave and true—
The people all respect them,
Republicans the county through
Must haste and elect them.

For Sheriff we want John D. Swope,
There's none to make objection—
He'll make law-breakers jump the rope,
And give us all protection;
John Lewis, for Commissioner,
He surely has no equal,
You'll find him in condition sir
To satisfy the people.

Another good strong man you see,
His name is Samuel Kreider—
Driftwood is his native town,
He'll see no harm betides her;
Another good Commissioner
Whose heart is with his party,
The people on election day
Will welcome him inost heartily.

Our Auditors are up to date,
We'll rally to their banner—
George Walker is a gentleman,
And so is O. B. Tanner,
So ring your bells and blow your horns,
And best of all remember,
Be sure to show up at the polls
The seventh of November.

—JOHN F. SULLIVAN.

Officers Elected.
At the annual convention of the Northwestern Penn'a Firemen at Bradford last week the following officers were elected: President, Burt McAllister, of Bradford; first vice president, S. E. Bell, of Smethport; second vice president, T. J. Kinsler, of Renovo; secretary, Fred Seger, of Emporium; treasurer, Moses Chon, of Bradford. A. C. Blum was elected a member of the legislative committee. This is the third term for Mr. Seger as Secretary.

WAY TO TREAT HAY FEVER.

No Stomach Dosing, Just Breathe Hyomei—Stops Sneezing and Smarting.

L. Taggart is recommending to his customers as a cure for hay fever, Hyomei. It is claimed for this remedy that it stops the spasmodic paroxysms, the sneezing, the smarting and running of the eyes and nose, and other acute symptoms of this disease.

Many persons have been cured of hay fever by Hyomei, and the discoverer of the remedy professes to be able to prevent both the occurrence of the annual attack and to stop the progress of the disease, even in the most chronic forms.

A. Hamlin, of Westford, Mass., writes "Hyomei cured me of hay fever in one week's time. I consider it a duty to tell others who suffer from this disease."

This endorsement is only one of hundreds that have been received by the proprietors of Hyomei, and L. Taggart offers to refund the money if Hyomei does not do all that is claimed for it, is the strongest proof that can be given as to the confidence he has in Hyomei's power to cure hay fever. The complete outfit costs but \$1.00, while extra bottles can be procured for 50 cents.

Heads of households are the billfooters of their families.

The Only Way.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will be let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus. Sold by R. C. Dodson.

Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St Clair Ave., Columbus, O., writes: For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at L. Taggart's drug store; price 50c.

Reduced Rates to the Seashore.

A FOOLISH PLAN

'Tis a joy to eat—I welcome my dinner hour;
Because I rout indigestion with August Flower!

Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

August Flower gives new life to the liver and insures healthy stools.
