

Half the boys within school gates wear Mrs. Jane Hopkins Boy-Proof Clothes

THERE'S nothing that produces such sweet strains as Price and Quality--they're music to the ear.

Mischievous youngsters play the very mischief with clothes--'tis the way of heedless, happy-go-lucky boyhood.

A Mrs. JANE HOPKINS' BOY-PROOF SUIT gives a lot of wear and style for a mite of a price.

HUNTLEY.

G. L. Page, of Cameron, spent a few hours with E. S. Randolph on Monday.

Daisy, the daughter of Foreman W. W. Jonsson, is very ill with typhoid fever as is also Mr. William Logue.

Mrs. Augustus Nelson has partially recovered from her illness and is able to be out again.

Miss Mattie Collins, of Emporium was guest of Mr. and Mrs. B. J. Collins Tuesday.

Miss Mariam Barnes and Miss Florence Darrin, of East Emporium, spent Sunday with Mr. and Mrs. W. R. Smith.

Mr. O. B. Tanner and family, of Mason Hill, spent Sunday with Mrs. Augustus Nelson. On his way back home he stopped and presented the PRESS Correspondent with a box of fine campaign cigars. Many thanks, Mr. Auditor.

J. F. Sullivan has been on the sick list for the past week with fever and nervous prostration caused by overwork. However he resumed duty Sunday night. Mr. Sullivan was ably attended by Dr. Corbett and special trained nurse, W. R. Smith.

Alfred Smith has been transferred from the section west of Huntley to Huntley section, where has accepted the position of Assistant Foreman under W. W. Johnson. Miss Teats is caring for his children since the death of his wife.

The rumor that the tower at this place is to be moved to Tunnel Hill is without foundation. Tunnel Hill has many advantages over Huntley but the tower will stay in the same old place.

Supt. H. H. Cloyes and his force of men took advantage of the rise of water in the Creek Tuesday and had the stream filled with logs all day running them to the mill. Unfortunately Mr. Patrick Farrell lost his pike lever in the deep water and was forced to dive after it. Upon trying to come out of the water his body came in contact with a large log which struck him in the side and fortunately the force of the blow was broken by Mr. Farrell's watch being in his pocket. The watch was crushed but Mr. Farrell escaped with a few painful bruises. He will be able to work again in a few days. Mr. Farrell had his pipe in his mouth through all the excitement and strange to say it remained lighted all the time.

The Huntley Athletic Club will meet Friday night at their rooms; one bout is slated for the evening between E. S.

Everybody happy

when you use Lucas Paints

(Tinted Gloss) You are happy because your house looks better; the paint and color and gloss last longer; the paint goes farther and costs less; and so does the painting.

The painter is happy because he does better work; does it quicker and gets to the next job.

The dealer is happy because he sells more paint-- sells it faster. Ask your painter to ask his dealer all about Lucas Paints.

Randolph, of East Emporium, and John F. Sullivan, of Huntley. Owing to the difference in height of the two men Mr. Randolph will box from a raised platform while Sullivan will stand on the floor. Both men are in good trim.

TOGO'S FLAGSHIP GOES TO BOTTOM.

TOKYO, Sept. 12.—The battleship Mikasa, which carried the flag of Admiral Togo through all the great naval fights of the war with Russia, was lost in Sesabo Harbor yesterday, with 500 men. The vessel caught fire at midnight Sunday. The crew and several boatloads of sailors from other ships fought the fire desperately for two hours and a half trying to rescue the officers, who were imprisoned in their quarters by the flames.

At half past two the fire reached the aft magazine, which exploded, blowing a great hole in the port side of the ship and causing her to sink. The dead include about 400 of the officers and crew of the Mikasa, the other 100 being rescuers from other ships of the fleet. The total complement of the vessel is 935, but more than half of the crew were enjoying their first leave of absence since the war began. Admiral Heihachero, the commander-in-chief of the fleet, was ashore at the time of the disaster.

Powder Mill Horror.

FAIRCHANCE, PA., Sept. 9th.—The Rand Powder mills, six miles south of Uniontown, have been entirely wiped out by an explosion. Of the thirty-two men who went to work in the mills nineteen are known to be dead. Of these thirteen have been identified.

Scores of people in the town of Fairchance, within half a mile of the powder mills, were more or less painfully injured.

The shock of the explosion was distinctly felt in Connelisville, twenty miles away, buildings being rocked on their foundations. At Uniontown hundreds of panes of glass were broken. In the town of Fairchance there is scarcely a house that did not suffer damage.

There were seven explosions in all. Every one of the ten buildings were totally demolished. Not a vestige of them remains. The dismembered parts of the dead were burned in many instances. Identification of many was made by parts of clothing alone. The first three explosions were not as serious as the last four. Then the packing house, pressing room and magazine blew up, followed by two cars of dynamite standing on a nearby railroad siding, which were set off by the concussion from the powder mill explosions.

Inhuman If True.

MR. EDITOR,—

What do you think of the generosity of a father, who, after leaving his two little children to the care of charity for over one year, actually refuses to allow his children 25c worth of bananas and crackers, from the store where he receives his pay of \$2.00 per day? Such kindness as this is surely a shame. If he ever rises won't he surely be damned?

BILLY BOUNCE.

Letter to J. S. Hauber, Emporium, Pa.

Dear Sir: It costs two or three times as much as to put paint on as to buy it. A gallon of poor paint costs as much as a gallon of good, for the work; and a gallon of poor don't go half as far. Poor paint lasts half or a third or a quarter as long as good, and protects wood and iron a half or a third or a quarter as well as good.

Do you buy good paint or poor? You don't know any poor? Why, the market is full of it?

INDIGESTION'S RECORD

"The best remedy I can prescribe for your indigestion, madam, is Green's August Flower. I know of several other physicians who prescribe it regularly."

Indigestion is making an awful record as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and even robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in.

This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way. Two sizes, 25c and 75c. All druggists.
