LOCAL DEPARTMENT.

TRIBUTE TO OUR PRESIDENT.
There is gladness and rejoicing
In two great foreign lands;
The dawn of peace has settled
Upon Russia and Japan.
The armies and the navies
On friendly footing meet;
With thankful hearts they bless the man
Who made their joy complete.
This man is one you all know well,
His heart is strong and true,
And the colors on his banner
Are our own red, white and blue.
In every clime, throughout the world,
His gentle power is felt;
All nations gladly praise the name
OF THEODORE ROOSEVELT.
The rich and poor, the young and old,
In our own native land,
Unite in warmest words of praise
For this grand, noble man.
And may God's greatest blessings be
In godly numbers dealt,
To the people of America,
And to President Roosevelt.
—John F. Sullivan.

PERSONAL GOSSIP.

Mrs. Gilbert Morse, went to Cameron yesterday, to visit her son, Henry Morse and family.

Miss Gibbons, of Cleveland, O., has accepted a position as expert milliner, with the Misses Ludlam.

Mrs. Wetherall, of Buffalo, is visiting her mother, Mrs. David Murry and other relatives in town.

Miss Della Herman, of Westport, who has been visiting at Kane, stopped in Emporium to visit Mrs. Ed. Morse and family.

We are glad to see that our old friend Urban Boutain has returned from Alaska. He says that country is no good any more.

Thos. Lyons has a swell turnout, a new buggy and a horse that steps high wide and lively, and if you don't believe it just drive up behing him and try to keep the pace.

Mrs. Robt. Warner entertained a number of lady friends Tuesday afternoon at an old-time quilting bee. A quilting bee without Mrs. Hitchcock would be a curiosity.

Chas. A. Van Lew and wife left on Tuesday for Kansas. They expect to locate in Washington. Another good family gone. Charles, while we wish you well, you must come back, sure.

W. W. Knickerbocker, while working for Emporium Powder Co., had the misfortune to step on the sharp end of a spike, Saturday, making an egly sore. He is about on crutches.

Geo. A. Walker, Jr., returned Tuesday evening from a visit to New Jersey. He came back alone, so the intimation that he might come home "hitched up" was a false report. However, he had a good time, he says, and enjoyed his visit.

One of John A. McConnell's children, aged five years, is very dangerously sick.

Miss Carrie Evans leaves next Monday for Philadelphia to enter a school for trained nurses.

Mrs. Richard Bliss came in Saturday and the editor can now buy a basket of peaches to preserve for Christmas.

Mr. Jordan, the new baker at the Emporium Bakery, was a pleasant PRSS office caller on Thursday last.

Mrs. Rogers and daughter Cecil who have visited the former's sister, Mrs. M. T. Hogan, returned to their home in York State, Monday.

Mrs. Collins and daughter, Miss Florence, of Bath, N. Y., who have been visiting in Emporium for several weeks returned home yesterday.

Mrs. David Murry, of Emporium, and Mrs. L. T. Hackett, of Buffalo were guests of Mr. and Mrs. F. H. Murry during the past week.—St. Marys Gazette.

Mr. A. Chapman and daughter, Miss Sadie, left on Monday for state of Washington. Mrs. C. A. Van Lew accompanied them, her husband to leave here this week.

Mr. and Mrs. B. W. Green and family pleasantly and royally entertained the Emmanuel Church Vestry at six o'clock dinner last Thursday evening. It was a royal feast—fit for a king. Mrs. Green's reputation in this line was far surpassed upon this occasion and that's saying much. We were there but regret our appetite was lacking, but Judge Walker and James Norie evened up the scales.

James A. Coppersmith, of Freeport, Pa., is visiting his brother F. S. Coppersmith and family at this place. We had the pleasure of meeting the gentleman, who is one of the Pennsy railroad Co's reliable men at Freeport. While here Frank thought he might work him in to "railroad" some work to pay his board, but he did not work—he is a star boarder and while he weighs about two hundred, he hopes to take on about twenty-five pounds while here. Hope he may do it.

TO CATARRH SUFFERERS.
Hyomei Guaranteed to Cure by L. Taggart or Money Refunded.
The popularity and increase in the sales of Hyomei are unique in the annals of medicine. Such astonishing cures have been made by this remedy that the proprietors have authorized L. Taggart to sell every package of Hyomei under an absolute guarantee that it will cure catarrh. If it does not, the purchaser can have his money refunded by L. Taggart.

Hyomei is no ordinary remedy. It is the only method of treatment that sends by direct inhalation to the most remote part of the air passages, a balsamic air that destroys all catarrhal germs in the breathing organs, enriches and purifies the blood with additional ozone, and makes a permanent and complete cure of catarrh.

The complete Hyomei outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper, and a bottle of Hyomei. The inhaler lasts a lifetime, and if one bottle does not cure, an extra bottle of Hyomei can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows Nature in her methods of treating diseases of the respiratory organs.

Breathe through the inhaler for a few minutes four times a day, and your catarrh is cured. That's all.

If not cured, L. Taggart will refund your money.

A Marvelous Enterprise.
Every day the expression is heard, "It is marvelous how a Sunday newspaper can give to its readers free of charge such a beautiful color magazine as is given with The Philadelphia Sunday Press."

This magazine is equal to any ten cent magazine and is given absolutely free with The Sunday Press, a Sunday newspaper which costs only five cents per copy. The Sunday Press also has two other beautiful color magazines, consisting of a Women's Magazine, which is unexcelled, and a Comic Magazine, equal to the best.

Such wonderful and valuable parts of a Sunday newspaper which is ably edited throughout, constantly add thousands of copies to the circulation of The Philadelphia Press. Do you read it? If not, notify your newsdealer or at once to begin serving you with this newspaper. 28 4t.

Paying a Debt of Gratitude.
Mr. Mott Allen, foreman, Union City, (Pa.) Chair Factory, says: "I was badly afflicted with rheumatism for more than eight months; at times had to get up at 11 o'clock and stay up the balance of the night; could not dress myself without the aid of my wife; am now entirely cured, and by the use of only one 50c bottle of Crocker's Rheumatic Remedy. Boom Your Town.

The following card, sent out by a Detroit commercial club, is worth reading and pasting in your hat: "If there is any chance to boom business, boom it. Don't pull a long face and look as though you had a sour stomach. Hold up your head, smile and look for better things. Hide your little hammer and try to speak well of others, no matter how small you know yourself to be. When a stranger drops in jolly him, tell him it is the greatest town on earth. Don't discourage him by speaking ill of your neighbors. Lead him to believe that he has at last struck a place where white people live. Don't knock. Help yourself along by becoming popular and push your friends with you. Be a good fellow and soon you will have a procession of followers. No man ever helped himself by knocking other people down in character or business. No man ever got rich by trying to make others believe he was the only man in town who knew anything. You can't climb the ladder of success by treading on other people's corns."

Everybody reads the PRESS.

Letter to Sheriff Hemphill.

Emporium, Pa.
Dear Sir: You are so well known that the people have put you in office. They knew what they were about: They didn't do it by accident.
Wouldn't it be a handsome thing to do to paint your house? It is a nice house, has a good substantial commodious look, and it isn't rusty at all, you know; but a fresh coat of paint would make it so bright! it's a pity not to.
Devos is beautiful paint, but the beauty of it is: it lasts so long, and does so much more than adorn an already interesting and attractive edifice. House, outbuildings and fences. There isn't a man or woman in town, who wouldn't see them and make some pleasant remark.
Of course you will paint the town property; nothing would make your administration more, in the eyes of the people; and having done the same thing at home, it is the most natural thing in the world to do it for them.
Yours truly
F. W. DEVOS & Co.,
New York.
