

Half the boys within school gates wear Mrs. Jane Hopkins Boy-Proof Clothes

There's nothing that produces such sweet strains as Price and Quality--they're music to the ear.

Mischievous youngsters play the very mischief with clothes--'tis the way of heedless, happy-go-lucky boyhood.

A Mrs. JANE HOPKINS' BOY-PROOF SUIT gives a lot of wear and style for a mite of a price.

DISGRUNTLED COMBINE

Leading Men in Lincoln Party Were Turned Down For Office.

ARE NOW OUT FOR REVENGE

Republican Chairman Andrews Receives Reports That Show Party Wreckers Will Be Ignominously Routed.

[Special Correspondence.] Philadelphia, Sept. 19.

There has been a clearing of the political atmosphere in the last few days. The Republican managers have every reason to be elated over recent developments. The substitution of an entire new set of local Republican candidates, after the voluntary withdrawal of the original nominees in the interest of party harmony has had a far-reaching influence toward cementing and strengthening the Republican forces in this city.

The selection of Dr. Neff, a prominent member of the Union League and medical director of the Jefferson Hospital, for sheriff, the renomination of Coroner Dugan, in response to the request of many citizens, the naming of William Emsley, an ex-department commander of the Grand Army, and Howard A. Chase, another leading member of the Union League for commissioners, has given the Republicans a ticket of which they may well be proud.

Steps will be immediately taken for an aggressive local campaign, and there is no doubt of the election of the entire Republican ticket by a large majority.

Disappointed Office-Seekers.

From the interior counties Chairman Wesley R. Andrews, of the Republican state committee continues to receive the most gratifying reports.

The so-called Lincoln party has been demonstrated to be little more than a combination of office-seekers. Their efforts to draw votes from the Republican ticket will not have substantial results.

An idea of the character of the men in the movement may be formed from the fact that H. C. Niles, of York, who figures as state chairman, was twice defeated for the Republican nomination for superior judge. When he presented resolutions in the York county convention in line with the platform of the Lincoln party he got but three votes in favor of them, and one of these votes was his own. George E. Mapes, the secretary, has been voting against Republican candidates for years. Former Senator Emery, of McKean, was defeated by the Republicans when he ran as an independent candidate for congress, and he has never forgotten or forgiven the leaders of the Republican organization who defeated him. He is out for revenge. Charles Heber Clark, of Montgomery, who presided over the Lincoln party convention, is disgruntled because President Roosevelt declined to appoint him to a position in the department of commerce and labor. Clark has been fighting the Republican party for years. He is a pronounced free silverite. Former Congressman Brumm, of Schuylkill, another conspicuous figure among the Lincolnites, has a record as an original Greenbacker. He was an applicant for position under McKinley and Roosevelt and was turned down. He now, too, wants to reform the Republican party.

Former Congressman Thropp, of Bedford county, who was chairman of the committee on resolutions of the Lincoln party, is a disappointed and disgruntled office-seeker. He was turned down for re-election to congress by the Republicans of his district, and he has ever since been working against Republican nominees, but he has no following at home.

These are but a few of the men who are running the Lincoln party. Their only hope for recognition in the future line lies in the disruption of the Republican party.

The loyal Republicans of Pennsylvania will not permit them to succeed in their party-wrecking campaign. They will show them under in an avalanche of Republican ballots in November.

CONSUMPTION'S WARNING

Inside facts soon become evident in outside symptoms.—Dr. G. G. GREEN.

The aid of scientific inventions is not needed to determine whether your lungs are affected. The first symptoms can be readily noted by anyone of average intelligence.

There is no disease known that gives so many plain warnings of its approach as consumption, and no serious disease that can be so quickly reached and checked, if the medicine used is Dr. Boschee's German Syrup, which is made to cure consumption.

It is in the early stages that German Syrup should be taken, when warnings are given in the cough that won't quit, the congestion of the bronchial tubes and the gradual weakening of the lungs, accompanied by frequent expectoration.

But no matter how deep-seated you cough, even if dread consumption has already attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble.
