

Half the boys within school gates wear Mrs. Jane Hopkins Boy-Proof Clothes

There's nothing that produces such sweet strains as Price and Quality--they're music to the ear.

Mischievous youngsters play the very mischief with clothes--'tis the way of heedless, happy-go-lucky boyhood.

A Mrs. JANE HOPKINS' BOY-PROOF SUIT gives a lot of wear and style for a mite of a price.

In conclusion the Poet Laureate wishes to state that:

October's somber days are here,
The leaves begin to turn,
The farmers sing a merry tune,
As they fill up their barns,
They all are wearing pleasant smiles,
Their crops are very fine,
They feel well paid for their hard work,
Through the good old summer time,
Potatoes peep from out the ground,
In B. J. Collins field,
Each one will weigh at least three pounds,
They are a goodly yield,
While Brother Johnson's buckwheat crop,
Is something grand to see,
And David Logue's fine fields of corn,
Are nice as they can be,
So cheer up fellow citizens,
No need to weep or wail,
For while you stay in Huntley town,
You'll have full dinner pails.

One of the residents of a nearby town had a dream a few nights ago, which troubled him, and at the breakfast table he related it to his family. He said he had dreamed that he saw five rats going along all in a row, the head one was a big fat old fellow, the next was a poor mother rat, the next two little rats and the last a poor slim old rat, almost blind. His wife thought it meant some sore affliction to the family, but the little girl about four years old, says, "Papa I know what it means, the big fat one is the landlord down town, and the next is mamma and me and the baby and the last one is you." Pretty good interpretation for a child.

School Report.

	Last year
Number enrolled to date.....	650 625
Average attendance.....	665 575
Percentage of attendance.....	95% 96
Number present every day.....	399 398
Number tardy.....	70 43
Number sick.....	83 32
Number of visitors.....	50 62

The total enrollment to the end of the first month last year was 697 including 70 in the kindergarten. Figures given above for last year are in all cases exclusive of the kindergarten. Absences caused by the enforcement of the vaccination law caused our record for this first month to lag. We regret this because it was needless. Notice was given early in August, in plenty of time to have that disagreeable business attended to.

The persons named below have made a general average in attendance, scholarship and deportment of 95 or more.
