**JUST BEFORE THE COLLISION.**

Toot! toot!  
It's the auto of the plute.  
You would better get a move on  
Or you'll need a parachute  
For convenience in falling  
From a height that's quite appalling.  
And a pad beneath, to boot.  
Toot! toot!  
Just listen to the brute!  
If I'd a turnip handy  
Or some other passe fruit  
I would hurl it with much pleasure.  
Be delighted out of measure  
If my aim were only lucky  
And it caused him pain acute.  
Toot! toot!  
It's against the law to shoot.  
But I know I'd give a trifle  
For a good repeating rifle  
But without it I am helpless—  
I can only stand and hoot.  
Toot! toot!  
Hey!  
Clear the way!  
Scout!  
There's another wretched victim,  
From the gutter they have picked him.  
Toot! toot!

**A Reckless Shopper.**

A new story is being told of a married couple for which the husband had been accustomed to doing all the buying. The husband being an industrious fellow, finally got so much business on hand to attend to that it became necessary to turn the buying for the family over to the wife. One morning he told her to stop at the butcher shop and get a shin bone for soup. She asked what a shin bone was. The husband lifted his trousers and indicated the portion of the anatomy that produced it. But when the wife arrived at the butcher shop she had forgotten the name of the bone wanted, and to inform the butcher had to lift her skirts and show her shins. When she returned home she told her forgetfulness and how she had to show her shins to let the butcher know what she wanted. The husband heaved a relieved sigh and said: "Well, my dear, I'm glad I did not send you for a rib roast."—Houtzdale Citizen.

**GOOD for OLD and YOUNG**

August Flower keeps the children healthy and strong.  
Full of vigor and frolic the whole day long.  
So when Mamma needs more they rush off in high glee.  
And shout to the druggist: "Please give it to me!"  
Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.  
It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.  
Two sizes, 25c and 75c. All druggists.  
R. C. DODSON.

**FRIENDLY WARNING.**

No Need to be Alarmed About Stomach Troubles if you Use Mi-o-na—Cure Guaranteed by L. Taggart.

The most frequent affection of the stomach is catarrh, as the delicate membrane which lines the stomach is easily irritated by harmful food or overeating. Keep a strict watch for the first symptoms of stomach trouble. Take this friendly warning in the spirit in which it is given and profit by it.

Shortness of breath, black specks before the eyes, furred tongue, dizziness, belching of gases or sour food, weakness and debility are all signs of catarrh of the stomach. There is no use to be unduly alarmed, for this disease can be cured by Mi-o-na. It is the only remedy that strikes at the root of the evil and actually cures the disease.

It does not contain opium in any form, acids, alcohol, or any other harmful drug or chemical. It is a pure remedy that heals the irritated mucous membrane, stimulates the solar plexus, and aids digestion.  
Ask L. Taggart to show you the guarantee under which he sells Mi-o-na. It costs but 50 cents a box, and your money is returned if it does not help you.
