MR. McCURDY IS DEFIANT

PRESIDENT OF THE MUTUAL LIFE INSURANCE CO. REFUSES TO ANSWER QUESTIONS.

A DAY REPLETE WITH SENSATIONS

Mr. McCurdy Tells of the Payment of \$10,000 to Settle a Suit Brought Against the Company by an Agent Who Was Dismissed.

New York, Oct. 13.—Testimony in the insurance investigation, which was resumed Tuesday, was most exciting and only the threats of Senator Armstrong, chairman of the committee, to clear the room prevented violent demonstrations of disapprobation of the witness, who was Richard A. McCurdy, president of the Mutual Life Insurance Co.

As it was, however, there were jeers at several periods of the day's testimony. These came when Mr. Hughes, counsel for the committee, asked questions that Mr. McCurdy was reluctant to answer or evade.

In Mr. McCurdy's testimony a new feature was disclosed, and this was that the Mutual Life Insurance Co. employed a literary bureau to send out to the press of the country news matter that was of benefit to the company.

An attempt was made to obtain from Mr. McCurdy the reason for reducing the dividends on policies as the business increased and the assets piled up.

The examples cited were principally on the policies of the ten payment life plan.

To all questions on this matter the witness said he was not fortified with the information required; that these were actuarial matters; and, when pressed for his opinion, replied that he refused to discuss the question or to enter any discussion.

A voucher in 1902 for \$10,000 payable to T. H. Bowles was explained by Mr. McCurdy as part payment in settlement of a suit Mr. Bowles, formerly the general agent in Milwaukee, had brought against the company. It was testified to early this month that Mr. Bowles had been dismissed by the company for insubordination. Mr. McCurdy said yesterday that the insubordination consisted in "throwing mud" and trying to injure the company.

GIVES THEM GREAT POWER.

An Amendment to Civil Service Rules Permits Cabinet Officers to Dismiss Employees in Most Summary Way.

Washington, Oct. 18.—An amendment to the civil service rules, sweeping and comprehensive in its character, was authorized yesterday by President Roosevelt. Hereafter, a cabinet officer will have the power to remove summarily and without hearing any civil service employe in his department who, to the personal knowledge of the head of the department, has been guilty of misconduct, or who is inefficient in the performance of his duties. By the terms of the amendment the cabinet officer must have personal knowledge of the misconduct or inefficiency of the employe whom he proposes to discharge. With this personal knowledge, the power of the head of the department is absolute.

A PROFIT SHARING PLAN.

It is Proposed by the Cotton Mill Owners of Fall River, Mass.

Fall River, Mass., Oct. 18.—The Manufacturers' association yesterday announced a 5 per cent. increase in wages of cotton mill operatives and a profit sharing plan to take effect October 25.

Under the present market conditions the profit sharing plan should net an additional 8 per cent. In July, 1904, a reduction of 12 1/2 per cent. in wages was made and a nine months' strike followed. The present proposal of the manufacturers not only restores the old scale of wages as requested, but makes a slight advance.

A Deadly Shower of Molten Metal.

Chicago, Oct. 18.—Five tons of molten metal exploded yesterday at the Joliet plant of the Illinois Steel Co., falling in a shower of death on a band of workmen about the converter. One man is dead, three are fatally burned and a half dozen injured so badly they may die.

Woman and Five Children Cremated.

St. Louis, Oct. 18.—Mrs. Alice Hartman and her five children were burned to death and their home was destroyed by fire at Port Royal, a village in Franklin county.

Copenhagen, Oct. 20.—It is announced that Prince Charles of Denmark is willing to accept the crown of Norway when elected by a majority of the storting.

CUNLIFE HAS BEEN CAPTURED

MAN WHO STOLE \$101,000 FROM THE ADAMS EXPRESS CO. ARRESTED IN CONNECTICUT.

GREAT DEAL OF THE PLUNDER IS FOUND

Nearly \$80,000 of the Stolen Cash is Discovered in a Suit Case at the Home of Cunliffe's Brother-in-Law at Bristol, Conn.

Bridgeport, Conn., Oct. 20.—Edward George Cunliffe, the Adams Express employe who disappeared from Pittsburgh with \$101,000 in cash, was arrested here Thursday. He made a confession and expressed his willingness to return at once to Pittsburgh. He declared that the money which he took was intact and that it could be restored, but he declined to tell, until his return to Pittsburgh, where it is hidden. On his person when arrested the detectives found \$290 in cash.

Detectives under the direction of Daniel C. Thornhill, superintendent of the Pinkerton agency of New York, traced Cunliffe here and upon their arrival the aid of local policemen and detectives was enlisted. All the hotels were watched carefully, but Cunliffe was not arrested until late in the forenoon, when he was seen by Thornhill walking down Middle street.

Bristol, Conn., Oct. 20.—Nearly \$80,000 of the money stolen by George Cunliffe from the Adams Express Co. in Pittsburgh was recovered last night at the home of Joseph W. Boardman, Cunliffe's brother-in-law. For just a week the fortune had lain in an old suit case, unknown to Boardman, who was holding the valise expecting its owner would call for it any day. The exact sum found was \$79,953.55.

As the result of a statement made by Cunliffe in Bridgeport last night that he had sent \$85,000 of the plunder to his brother-in-law, Boardman, in Bristol, a representative of the Associated Press called at the Boardman house and asked Boardman if that was so. Boardman, who is a young man and the agent here for the Electric Express Co., of Hartford, said that he had received no money, but that on October 12 a dress suit case came to his house from Bridgeport and as there was no name on it, he had not opened it. His wife signed for the case and Boardman placed it in a closet, thinking it was sent to him as an agent of an express company to be called for later.

Boardman told the Associated Press representative that if he wished, he would send for the police and that they could break open the case. Chief Meigs and Capt. Belden, of the police force, were then sent for and in their presence the case was torn open. Huge bundles of money in the shape of bills tumbled out on the floor.

Bridgeport, Conn., Oct. 21.—The chances that the police will recover nearly all of the \$101,000 stolen from the Adams Express Co. in Pittsburgh by Edward G. Cunliffe, who was arrested here Thursday and taken to Pittsburgh yesterday, seem bright. Last night \$9,065 was found in a trunk belonging to a butler in a prominent family at Black Rock, but the butler and the family by whom he is employed are ignorant of the fact that the large sum found was within the house. Although there is a possibility that the remaining \$10,500 has been destroyed, the police are of the opinion that another accomplice of Cunliffe may reveal the hiding place of the missing sum.

In round numbers \$90,000 has been found within 24 hours. After figuring on about \$500 as the amount which Cunliffe has spent or which was found on him when arrested, there is left a sum of \$10,500 yet to be accounted for.

INDICTED ON TEN COUNTS.

Ex-President of a Louisville National Bank Charged with Embezzlement and Making False Entries.

Louisville, Ky., Oct. 20.—W. B. Smith, former president of the Western national bank of this city, was indicted Thursday by the federal grand jury on ten counts, charging him with embezzlement, making false entries and the misappropriation of the funds of the bank. The total defalcation charged in the indictment is \$198,013.

Smith is said to be in Porto Rico and it is alleged a cablegram has been received from him saying he will return to Louisville on October 29.

Smith went to New York from Louisville last week. Last Saturday he wired President Jefferson his resignation as a director of the Western national. Mr. Smith bought a controlling interest in the Western national two years ago and became its president. Owing to dissatisfaction among the directors over his administration he was forced to resign on July 10 last. He was succeeded by T. L. Jefferson.

Mr. Jefferson and the other members of the directorate exerted all their energies to hold the bank up, but on August 21 the comptroller of the currency ordered it closed. The bank has since reopened.

Smith is 32 years old. He came here from Paducah, where he was interested in several enterprises.

\$10,000 Diamond Robbery.

New York, Oct. 20.—The robbery of \$10,000 worth of diamonds from the wife of George W. Hoadley at the Buckingham hotel last Tuesday evening was announced yesterday by the police. The robbery occurred while Mr. and Mrs. Hoadley were at the theatre.
