One of them got away as three of them were most too much for him single handed. He gathered them together at Bailey's hotel and on Monday morning took them before Squire Nefey, at Driftwood. It being their first offense the Squire left them off with a small fine and costs. There is another bunch he is after and will gather them in some fine day.

The following schools made an average in attendance of more than 95 per cent: High School and Miss Bryan's 98, Miss Ritchie's 97, Miss Larrabee's, Heilman's 96, Miss Ling's and Cleary's 96, Miss Griffin's 95. To those pupils who have made a good record in attendance so far, we would say persevere. The one who attends every day has no gaps to bridge over.

The work in the main is satisfactory, the pupils interested and industrious. We ask parents to examine reports carefully and in case a weakness is shown in any subject insist upon home work. We urge parents to visit the schools, to examine the written work and listen to the recitations.

Thanks.
Emporium, Pa., October 30th, 1905.
MR. A. A. McDONALD,
Chief Emporium Fire Department.

DEAR SIR:—Permit me on behalf of myself and family to extend through you, our sincere thanks to the Emporium Fire Department for the excellent work done at the fire at my house on the 12th inst.

I am sure that no department in the State of Pennsylvania could have done more efficient and careful work.

Your firemen saw that the children were taken out of the building and taken to a place of safety for which I particularly thank them.
They promptly arrested and put out a fire that promised to destroy the house, confining the actual fire to the kitchen where it started and they not only put out the fire but they so carefully managed the water that none of it got into the main building except a small amount in the bathroom which did practically no damage.
For this excellent and efficient work I again thank each company in the department and each individual firemen in each of the companies.
Yours very truly,
J. P. McNARNEY.
