WASHINGTON LETTER.

(From our Regular Correspondent.) Washington, Nov. 18th, 1905.

The International Board of Consulting Engineers who are acting in advisory capacity to the Panama Canal Commission voted this week on the subject of the type of canal to be adopted. Their decision has not yet been made public but will be early next week.

The decision as to the type of canal marks an important period in the work, and it is just as well to consider at this moment what has already been accomplished. In the first place the Isthmus has been cleaned up as it was never thought possible to do it.

But the more a woman says the less a man remembers. A sewer system has been advised for the town of Panama and is half completed. The town is being paved with brick for the easier cleaning and policing.

Son Lost Mother.

"Consumption runs in our family, and through it I lost my mother," writes E. B. Reid, of Harmony, Me. "For the past five years, however on the slightest sign of a Cough or Cold, I have taken Dr. King's New Discovery for Consumption, which has saved me from serious lung trouble."

Burglars who rifle safes should be shot-gunned.

Man's Unreasonableness.

Is often as great as woman's. But Thos. S. Austin, Mgr., of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble.

The girl who is not thorough and conscientious about her work.

"I Thank The Lord."

Cried Hannah Plant, of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal, and from which I had suffered for 5 years."

The girl who thinks she is entitled to privileges not granted to her brother.

A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc.

The girl who airs her grievances to others until she makes a nuisance of herself.

Do not be deceived by counterfeits when you buy Witch Hazel Salve. The name of E. C. DeWitt & Co., is on every box of the genuine. Piles in their worst form will soon pass away if you will apply DeWitt's Witch Hazel Salve night and morning.

When might attempts to make right it seldom gets left.

A Liquid Cold Cure.

A Cough Syrup which drives a cold out of the system by acting as a cathartic on the bowels is offered in Kennedy's Laxative Honey and Tar. Clears the throat, strengthens the lungs and bronchial tubes.

When might attempts to make right it seldom gets left.

But Few Are Free.

But few people are entirely free from indigestion at this season of the year. Kodol Dyspepsia Cure is not only the best remedy to use because it digests what you eat but because it also enables the digestive apparatus to assimilate and transform all food into tissues—building blood.

Gossips and ice cream spoons open feminine mouths.

"Christ With Us," a poem by Edwin Markham, with appropriate decorations, fills the first page of the Woman's Home Companion for December, and the remainder of the magazine is very Christmasy indeed.

Ether and Matter.

The densest matter is more or less porous. Gold will absorb mercury as a lump of sugar will absorb water, showing there must be interstices or inter-atomic spaces in it, but the ether shows no such property.

An Odd Bird's Nest.

The oddest of all birds' nests is the one built by the tontobane, a South African songster. It is built of cotton and always upon the tree producing the material. In constructing the domicile the female works inside and the male outside, where he builds a sentinel box for his own special use.

Come Out of Your Shell.

Do you allow yourself to become absentminded, wrapped up in a brown study? Look about you. Speak to those that you have been in the habit of ignoring. Make friends with every one. Strive to touch life everywhere you can.

Then He Got Mad.

Husband (impatiently)—If the fool killer would strike this town he would find plenty of work to do. Wife—Is there such a person, dear? Husband—Of course there is. Wife (with anxiety)—Well, I do hope, John, that you will be very careful.

Returned Thoughts.

"Do thoughts that came to you in the long ago ever return?" asked the originator of silly questions. "Not unless I inclose stamps," answered the literary party.—Chicago News.

Advantages of Travel.

All travel has its advantage. If the passenger visits better countries he may learn to improve his own, and if fortune carries him to worse he may learn to enjoy his own.

Free will is not the liberty to do whatever one likes, but the power of doing whatever one sees ought to be done, even in the face of otherwise overwhelming impulse. There lies freedom indeed.

A Famous Beauty. Mme. de Remusat had features so perfect that her contemporaries said she was worthy to sit as a model for a Greek goddess. The flesh of her face closely resembled alabaster, and yet she was not pale and did not give the impression of being in delicate health.

Simpler.

Simpler—They are going to be married? Why, I didn't know they were engaged. Smarter—Well, you see, there are so many engagements broken nowadays that they thought they wouldn't get engaged—just simply married.—London Answers.

When His Trouble Comes.

Smith—Do you mean to say you don't have any trouble in keeping your wife dressed in the height of fashion? Wedderburn—That's what I said. My trouble comes when I don't keep her dressed that way.

Lucas Paints. (Tinted Glass) hold their color longer and last longer than any other paints. Another thing: they cost less because they cover the surface so well. These are reasons enough why you ought to use them, but there are still others. Ask your dealer. John Lucas & Co Philadelphia

\$25,000 FOR A STORY. And This for Just the American Magazine Rights for One Publication.

CONAN DOYLE RECEIVES THIS FABULOUS SUM FOR HIS "SIR NIGEL," WHICH BEGINS EXCLUSIVELY IN THE SUNDAY MAGAZINE PART OF NEXT SUNDAY'S PHILADELPHIA PRESS.

Think of it! Twenty-five thousand dollars for one story! The highest price that has ever been paid in America to any author for the serial rights of any story.

And consider the quality of merit, the intensity of interest this story must possess to command this extraordinary price. The "White Company" has never been accepted as the greatest work of any author, and by far superior to his own "Sherlock Holmes" tale—but "Sir Nigel," says Conan Doyle himself, surpasses them all.

Do not fail to buy the Philadelphia Press for next Sunday, December 3, as this great romance by the world's greatest writer of romantic fiction will be THE sensation of the literary world for months to come.

AMERICAN SLAVES.

L. Taggart's Emancipation Act that will Free Thousands.

L. Taggart, Emporium's leading druggist, is ready to restore freedom to many who have been in absolute slavery.

No man appreciates better than the victim of indigestion that he is an abject slave to his stomach, and Mr. L. Taggart, in guaranteeing that Mi-o-na will strengthen the stomach so that you can eat what you want and when you want it, removes all fear of further bondage.

The stomach is to the body what the foundation is to the house, and when it is weakened or diseased, one organ after another is affected until the heart, lungs, kidneys, and liver will all be involved.

Indigestion causes nervousness, sleeplessness, headaches, backaches, distress after eating, furred tongue, and general weakness and debility.

Mi-o-na is not a mere temporary relief for indigestion, but a positive remedy for all stomach troubles, promoting good digestion, stimulating the secretions, and restoring health.

Ask L. Taggart to show you the guarantee under which he sells Mi-o-na. A large box of the tablets sells for 50 cents, but costs nothing unless it cures.
