WASHINGTON LETTER.

(From our Regular Correspondent.)
Washington, Nov. 25th, 1905.

Secretary Shaw has given it out to some personal friends that there will be no call in the coming Presidential message for fresh financial legislation so far as he is concerned. He has not given any figures, but states that the condition of the country is much better than during the last fiscal year and that the deficit which was then something like \$24,000,000 will be considerably reduced. Secretary Shaw has been called upon by a number of business delegations that feared the imposition of fresh taxes and he assured them all that he was not in favor of upsetting the business conditions by any fresh financial legislation at this time. This assurance has been very grateful to the industries that thought they were threatened and is in line with the stand that has been taken by Speaker Cannon and the leaders in the Senate against any attempt at financial legislation just now. Whether the message will contain any recommendations for tariff revision, it is of course impossible to say. It is known that next to railway rate legislation, the President is most anxious for tariff legislation, but in view of the bad prospect for legislation except of the most necessary sort and many other matters clamoring for attention. It is possible that the matter will be allowed to go for the time being and will be dealt with in a special message later on.

There is a fear expressed in some quarters that the canal situation may have an unfavorable effect on the financial showing of the country. It is stated that before Congress passes the canal bond bill, the canal commission will have contracted liabilities amounting to fully \$16,000,000 that will have to be met by the close of the coming fiscal year. It is the intention of the Commission to pay back this money into the Treasury out of the proceeds of the bond sale, but there will be some delay in issuing the bonds as additional legislation will be needed before they are available as the basis of national bank circulation. They were not so made by the Spooner Act and it is recognized that they are to bring much above par or even that.

There has been some discussion as to whether the Panama Canal Commission was authorized to go on with the work and contract bills in excess of the \$10,000,000 already appropriated. But the matter was laid before both Secretary Taft and Chairman Shouts and they both agreed that under the Spooner Act the President was empowered to go ahead with the construction of the canal certainly up to the limit of the \$135,000,000 authorized in the bond issue in addition to the \$10,000,000 already granted. The board of consulting engineers of the canal have already held their last meeting before reassembling in Brussels where the report will be finally signed. They will sail before the end of this month.

Seldom is such beautiful scenery presented by a traveling company as that which will be shown in "Over Niagara Falls," Emporium Opera House, Saturday, Dec. 2.

Son Lost Mother.

"Consumption runs in one family, and through it I lost my mother," writes E. B. Reid, of Harmony, Me. "For the past five years, however on the slightest sign of a Cough or Cold, I have taken Dr. King's New Discovery for Consumption, which has saved me from serious lung trouble." His mother's death was a sad loss for Mr. Reid, but he learned that lung trouble must not be neglected, and how to cure it. Quickest relief and cure for coughs and colds. Price 50c and \$1.00; guaranteed at L. Taggart's drug store. Trial bottles free.

There is no preservation without purification.

Man's Unreasonableness.

Is often as great as woman's. But Thos. S. Austin, Mgr., of the "Republican," of Leavenworth, Ind., was not unreasonable, when he refused to allow the doctors to operate on his wife, for female trouble. "Instead," he says, we concluded to try Electric Bitters. My wife was then so sick, she could hardly leave her bed, and five [5] physicians had failed to relieve her. After taking Electric Bitters, she was perfectly cured, and can now perform all her household duties." Guaranteed by L. Taggart druggist, price 50c.

There is seldom any salt in the salted sermon.

"I Thank The Lord."

Cried Hannah Plant, of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal, and from which I had suffered for 5 years." It is a marvelous healer for cuts, burns and wounds. Guaranteed at L. Taggart's drug store; 25c.

Laziness is the fruit of misdirected philosophy.

A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at L. Taggart's drug store; 25c.

You can't always tell—unless you are a woman.

Do not be deceived by counterfeits when you buy Witch Hazel Salve. The name of E. C. DeWitt & Co., is on every box of the genuine. Piles in their worst form will soon pass away if you will apply DeWitt's Witch Hazel Salve night and morning. Best for Cuts, Burns, Boils, Tetter, Eczema, etc. Sold by R. C. Dodson.

The crying need of a childless home is a baby.

A Liquid Cold Cure.

A Cough Syrup which drives a cold out of the system by acting as a cathartic on the bowels is offered in Kennedy's Laxative Honey and Tar. Clears the throat, strengthens the lungs and bronchial tubes. The mother's friend and the children's favorite. Best for Croup, Whooping Cough, etc. A liquid cold cure and the only Cough Syrup which moves the bowels and works all cold out of the system. Sold by R. C. Dodson.

A life is but a lamp, without the oil of love.

But Few Are Free.

But few people are entirely free from indigestion at this season of the year. Kodol Dyspepsia Cure is not only the best remedy to use because it digests what you eat but because it also enables the digestive apparatus to assimilate and transform all food into tissues—building blood. Kodol relieves sour stomach, heart burn, belching, and all forms of indigestion.

Imagination doeth make cowards of us all.

He Kept up in the Race.

James S. Barren, President Manchester Cotton Mills, Rock Hill, S. C., writes: "In 1883 I painted my residence with L. & M. It looks better than a great many houses painted three years ago. Don't pay \$1.50 a gallon for linseed oil, which you do in ready for use paint. Buy oil fresh from the barrel at 60 cents per gallon, and mix it with Longman & Martinez L. & M. Paint.

Wears and Covers like gold. Every Church given a liberal quantity when bought from Harry S. Lloyd.

The small heart is likely to hold big sins.

Every Ounce You Eat.

Every ounce of food you eat that fails to digest does a pound of harm. It turns the entire meal into poison. This not only deprives the blood of the necessary tissues—building material, but it poisons it. Kodol Dyspepsia Cure is a perfect digestant. It digests the food regardless of the condition of the stomach. It allows that organ to rest and get strong again. Relieves Belching, Heart Burn, Sour Stomach, Indigestion, Palpitation of the Heart, etc. Sold by R. C. Dodson.

Latest Popular Music.

Miss May Gould, teacher of piano forte, has received a full line of the latest and most popular sheet music. All the popular airs. Popular and classical music. Prices reasonable.

The oyster supper and dance given at the K. G. E. Hall for the purpose of raising funds to purchase a new organ for the school, was a complete success. Great credit is due to the earnest efforts, of Mr. John Schwab and Miss Edna Summerson, the two popular school teachers. We are proud of our school and of our teachers. The steady advancement of our children in their studies is a splendid tribute to their efficiency.

Foreman Robinson has lost a pig. Suitable reward will be paid if returned to owner.

The poet laureate begs to add: Has any one seen "Squire Robinson's pig. He has ears like a mule but not near as big; He can run like a race horse and swim like a duck While Joseph pursues him with very bad luck." J. F. S.

He was rescued in an unconscious condition and it will be some time before he will be well again.

Misses Alice Jordan and Myrtle Logue gave an oyster supper last Friday evening for the benefit of the union church. While the attendance was fairly good, it might have been better had it been advertised a little more. The Press is always willing to lend a helping hand in such worthy causes.

A meeting of the church people of Huntley was called Thanksgiving day in honor of Rev. Miss Hayward, who was presented with a collection, accompanied by the best wishes of the community for her good work here the past season. A. W. Smith had charge of the ceremonies.

As Uncle Billy Shakespeare says:

The eagle is a noble bird,
He spreads his wings on high;
We pay him highest tribute
On the Fourth day of July.

The turkey is another bird,
He walks upon the ground,
And every one his praises sing,
When the Holidays come around.

But while we love our Eagle dear,
And honors to him pay,
The Turkey has the drop on him,
Upon Thanksgiving day.

SINNAMAHONING.

The Lions Club has started up for the winter in good shape, according to the

hunting stories. Bushor said he captured a coon a few nights ago that weighed forty pounds, dressed. Will Davis said he killed one that dressed eighty pounds; then comes Geo. Logue with another whopper as big as a common pig, a fam-of four coons dressing 140, 137 and 131 pounds and a 40 pound cub. It don't pay to raise hogs here since such coons can be caught.

James Little Logue captured a big three pronged doe deer last week.

The little daughter of A. L. St. Clair's while after the cow, one evening last week came upon a bear, which was eating wild grapes. The bear growled and ran one way and the little girl the other. SENATOR.

The Columbia Herald gives the following hint which would be invaluable to newspaper men but for one thing: "The time to borrow money," said a Calumbian the other day, "is when you don't need it. If you have \$10 in your pocket and don't need any more; borrow \$5 from the first friend you meet. Then repay him the next day and he will imagine himself under obligations to you. Then the next time you really need money, it will be easy to get it from him."

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention to his great humanitarian contract.

In our Almanac for many years past we have given unusual advice to those afflicted with coughs, colds, throat or lung troubles or consumption. We have told them if they did not receive any special benefit after the use of one 75-cent size bottle of German Syrup, to consult their doctor. We did not ask them or urge them to use a large number of bottles, as is the case in the advertising of many other remedies. Our confidence in German Syrup makes it possible for us to give such advice. We know by the experience of over 35 years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. New trial bottles, 25c.; regular size, 75c. At all druggists.
