Our good friend Chas. L. Butler met with a painful accident last Thursday just as we went to press with our paper. While having some work done in L. S. Dr. Falk dressed the injury and Chas. will soon be able to resume business and no doubt is thankful the injury is not worse.

Liars Club.
The Sinnamoning Liars Club is doing fine. All that is wanted is a little snow and the house will be filled. New rules have been adopted and any member telling a yarn over a year old is fined 13 cents and stand suspended until the fine is paid. There has been so many yarns spun that are old and worn out, that the members begin to think they true, this being against the rules of the organization, which must be strictly adhered to.

I. R. B. and Pap Blodget have agreed to surprise the club should a little fall of snow come and will beat the man who found the automobile tire in the hog's stomach. That fellow is welcome to our ranks, and should his name be proposed, he will be accepted sure pop. We need more material of this kind. The Treasurer reported the funds of the club getting very low, only six cents being in sight. The hat will be passed Saturday night. It is not safe to go into the woods without a little snake bite as it makes better yarns on your return.
