The observer notices that there is quite a little stir in town about a certain brand of baking powder and Uncle Billy Shakespeare adds:

There is trouble brewing in the air,  
There's blood upon the moon,  
And war, with all its horrors,  
May be expected soon.  
The baking powder craze is here,  
And trouble it has brought.  
The premium is a Morris chair,  
As fine as can be bought.  
But there's a little wrinkle,  
That does not seem quite fair,  
For while one man buys the powder,  
Another gets the chair.

When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
