Potter County Woodsman Had a Heavy Misfortune.

A boot that is in use is a poor substitute for a bank and a Potter county woodsman named Houck, who was in Newberry last week, is ready to attest this fact. Mr. Houck is \$150 out of pocket through such an agency.

Wednesday George Adler, driver of a fire engine, a little distance up Lycoming creek met Houck, who accused him, saying he had some money to put in a bank and asking questions about the Newberry bank. Of course Mr. Adler gave the Newberry bank a substantial recommendation. The woodsman then volunteered the information that he met with misfortune on his trip there from Potter county.

He said he had some money and for safety wrapped it in a \$100 bill and placed it in the sole of his boot. The wear on the paper money was more it could stand. As a result the \$100 bill and some other bills were ground into pulp.

At the bank it developed that \$550 was the original sum Houck had wished to put at interest. Of this amount bills to the extent of \$150 were worn away so they could not be recognized. —Lock Haven Democrat.

Will Save You Many Dollars.

The best way to keep up to date and guard against the schemes of grafters and fakers generally is to read your newspaper religiously, especially your local paper. Sooner or later all forms of graft, of bogus solicitors and fakers of all sorts are exposed in the press, and it is generally the fellow who does not read the papers regularly and carefully who gets caught.

Rev. J. E. Calvin, of Wayland, Ohio will conduct services on Sunday Jan. 14th at 10:30 a. m. and 7:00 p. m. A large attendance is earnestly desired.

THE DIFFERENCE.

Between THREE per cent, and FOUR per cent, there is a difference of \$1.00 on every hundred dollars invested—proportionate on other amounts.

WHO GETS IT?

You should receive for your funds the highest interest return consistent with absolute safety. No question about that. This has been proved in 1892, has continuously paid interest on Savings and Time Deposits and Certificates of Deposit.

Sickening Shivering Fits.

Of Ague and Malaria, can be relieved and cured with Electric Bitters. This is a pure tonic medicine; of especial benefit in malaria, for it exerts a true curative influence on the disease, driving it entirely out of the system. It is much to be preferred to Quinine, having none of this drug's bad after effects. E. S. Munday, of Henrietta, Tex., writes: "My brother was very low with malarial fever and jaundice, till he took Electric Bitters, which saved his life. At L. Taggart's drug store; price 50c. guaranteed."

A Liquid Cold Cure.

For coughs and colds no remedy is equal to Kennedy's Laxative Honey and Tar—the Liquid Cold Cure. It is different from all others—better, because it expels all cold from the system by acting as a cathartic on the bowels. Gives strength to weak lungs. Affords immediate relief in Croup, Coughs, Colds, Whooping Cough, etc. Children love it. Sold by R. C. Dodson. Ask for the 1906 Kodol Almanac and 200 year Calendar.
