Emporium Furniture Co.
 Our New Year
 Introductory
 Sale

WE have just finished a wonderfully prosperous year. One in which all our past sales-records were thrown so far in the rear that it will require the most vigorous and untiring work to surpass them. But work is our pastime and we are going to do it. Your splendid patronage has placed increased purchasing power in our hands, the force of which will be felt in the ever increasing values that will benefit every money-wise person in this county who is wise enough to profit by it.

Keep Your Eye on Us all this Year
 and Watch Us Grow.

THE LIVER QUARANTINE

Hurried eating has ruined many a man's stomach. The digestion-destroying process is gradual, often unnoticed at first. But it is only a short time until the liver balks, the digestive organs give way, and almost countless ill assail the man who endeavors to economize time at the expense of his health. A torpid liver causes a quarantine of the entire system. It locks in the diseased germs and body poisons and affords them full play, inviting some serious illness. In families where August Flower is used, a sluggish liver and constipation are unknown, so are all stomach ailments, as well as indigestion, dyspepsia, heartburn, headaches and kidney and bladder affections. No well-regulated family should be without this standard remedy.

SENATOR.

Soothing and Comforting.

The soothing and comforting effects of DeWitt's Witch Hazel Salve, when applied to Piles, sores, cuts, boils, etc., subdues pain almost instantly. This Salve draws out the inflammation, reduces swelling and acts as a rubefacient, thus circulating the blood through the diseased parts, permitting or aiding Nature to permanently remove the trouble entirely. Sold by R. C. Dodson. Ask for the 1906 Kodol Almanac and 200 Calendar.

Sinnamahoning Liars Club.

Sinnamahoning Liars Club met in regular session Wednesday night, with J. H. Drum in the chair. There was a great many whoppers sprang. The great Ananias told one that took the house by surprise. He said a man lost his umbrella and he put an ad in the Driftwood Gazette. The next morning there were 200 in his front yard; so advertising pays. The ad read "Lost or stolen, the finder please leave the umbrella at my gate." J. R. couldn't compete with such whoppers, so he took his seat on the shoe bench. C. A. Connell took the first degree which was conferred by our tonsorial artist. J. B. Council took the third degree and is so pleased with the work, he applied for the fourth and last degree. Pap Blodget is ruled out. Abe Thomson was installed as our Secretary. No further business the club adjourned until Saturday night.
