Our New Year Introductory Sale

WE have just finished a wonderfully prosperous year. One in which all our past sales-records were thrown so far in the rear that it will require the most vigorous and untiring work to surpass them. But work is our pastime and we are going to do it.

Your splendid patronage has placed increased purchasing power in our hands, the force of which will be felt in the ever increasing values that will benefit every money-wise person in this county who is wise enough to profit by it.

Keep Your Eye on Us all this Year and Watch Us Grow.

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong. Full of vigor and frolic the whole day long. So when Mamma needs more they rush off in high glee. And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind. Two sizes, 25c and 75c. All druggists.

TO THE PEOPLE

Rich's Famous All Wool Sock has fallen into competition with a very inferior article. The imitation is so perfect that only an expert is able to detect the counterfeit with its cotton and shoddy mixtures, until the sock is put into service. Unscrupulous competitors are representing the sock as Rich's All Wool, thus deceiving the customer and injuring our reputation.

To protect ourselves and the trade, in the future Rich's Socks will bear a Red Seal Trade Mark printed in white, a fac-simile of which is shown above.

Respectfully,

JOHN RICH & BROS.

Lucas Paints

It doesn't pay a painter to mix his own paint. Lucas Paints are mixed more evenly and thoroughly by improved modern machinery. They save his time and are better after they are mixed. They spread so easily and cover so thoroughly that he can finish a job with much less labor and in shorter time. Best of all, they hold their color better, wear longer, and always make a satisfactory job. Ask your dealer.
