TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA.

I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen representatives, will meet in convention at the Lyceum theatre in the city of Harrisburg, on Wednesday, June 6, 1906, at 10:30 a. m.

One person for the office of Governor; One person for the office of Lieutenant-Governor.

One person for the office of Auditor-General; One person for the office of Secretary of Internal Affairs; and for the transaction of such other business as may be presented.

In accordance with the rules governing the party, the representation in the State Convention will be based upon the vote polled at the last Presidential election. Under the rules each legislative district is entitled to one delegate for each two thousand votes cast for Republican electors in 1904, and an additional delegate for every fraction of two thousand votes polled in excess of one thousand.

By order of the State Committee, W. R. ANDREWS, Chairman.

HYOMEI CURES CATARRH.

Its Healing Balsams Kill all Catarrhical Germs—Sold Under Guarantee by L. Taggart.

There is no more common disease than catarrh, and none that is more dangerous. It weakens and debilitates the whole system, if it is allowed to run, leads to serious, and sometimes fatal complications.

It is a note worthy fact that among the many medicines and treatments for catarrh, there is only one which L. Taggart sells under their positive guarantee to refund the money if it does not cure.

No dangerous drugs are taken into the stomach when Hyomei is used. Breathed through the small pocket inhaler that comes with every Hyomei outfit, its healing balsams penetrate to the most remote cells of the throat, nose, and lungs, killing the germs of catarrh, healing the irritated mucous membrane, and making complete and lasting cures.

The complete Hyomei outfit, consisting of an inhaler that can be carried in the purse or vest pocket, a medicine dropper, and a bottle of Hyomei, costs only \$1. The inhaler will last a life time, while extra bottles of Hyomei can be procured, whenever needed, for only 50 cents.

L. Taggart is selling a good many Hyomei outfits at this season, and he has so much confidence in the remedy that he guarantees to refund the money in case it does not cure.

It takes a soft man to spread himself successfully.

What a Congressional Recommendation Means to this County.

[Clearfield Journal.]

Now that the question of who shall be recommended from Clearfield county for a nomination for Congress is brought to the public we would like to present to the voters the status of Clearfield county in this Congressional district and to insist that if we desire to be represented by a Republican in Congress we must make no mistake in the recommendation of a good man from each county so that when the plum drops it will fall on the shoulders of a man who can be elected.

That each county in the district in all congressional conferences shall be entitled to three conferees or delegates to be elected by each county in accordance with their respective Rules; provided, however, that after the first day's session of the conference, no nomination is made, then an adjournment shall be had for not more than one week or less than five days; and when the conference is reconvened and ten ballots shall have been taken and no nomination is made, then each County's representation shall be thereafter as follows: Three votes absolutely and one additional vote for each \$1,000 Republican voters or majority fraction thereof, polled at the last preceding presidential election.

Now then under that rule let us take up the voting and see what the outcome may be. It says three votes ABSOLUTELY for every county and one additional vote for every 1000 Republican voters cast at the preceding Presidential election. Here is the analysis. (Read the rule above.)

Rev. vote 1904— 9,541, Clearfield county, 3 plus 10 equals 13 votes 5,291, Centre county, 3 plus 5 equals 8 votes 1,228, Cameron county, 3 plus 1 equals 4 votes, 5,719, McKean county, 3 plus 6 equals 9 votes.

Total votes that could be cast. 34

And here is the checker board of the situation. If Cameron and Clearfield vote together the result will be 17 votes and if on the same ballot Centre and McKean vote together the result will be 17 votes and a tie. Centre voting with Cameron would produce 12 votes while if McKean votes with Clearfield would be 22 votes and an election.

Or in other words Cameron and Clearfield can tie McKean and Centre but Cameron voting with any other county could not do so and an election could only be secured against Clearfield county by the combined vote of the other three counties of the district or a heavy fraction thereof. The situation is such as to command attention of those who are aspiring for a nomination to Congress and to prompt the voters to the selection of the very best men in the several counties of the district so that which ever county may secure the nomination will present a candidate who can win.

What will the Republicans of Cameron do? It has been the wish of our people for some years that one of our citizens should be the Republican candidate, yet there has never been an energetic contest waged for the prize. We have several gentlemen eminently qualified for the position, who would make creditable candidates. Let the Republicans act at once and present a solid front. Capt. C. F. Barclay has been prominently mentioned throughout the district as an available candidate and we believe would have the united support of the Republicans of this county for the nomination, should he be requested to stand for the nomination. An early action on the part of our people would aid the choice of this county. Act at once.

Poisons in Food.

Perhaps you don't realize that many pain poisons originate in your food, but some day you may feel a twinge of dyspepsia that will convince you. Dr. King's New Life Pills are guaranteed to cure all sickness due to poisons of undigested food—or money back. 25c at L. Taggart's drug store. Try them.

A hypocrite is a man who prays with his fingers crossed.

Don't deceive yourself. If you have indigestion take Kodol Dyspepsia Cure. It will relieve you. Rev. W. E. Heutt, South Mills, N. C., says: "I was troubled with chronic indigestion for several years; whatever I ate seemed to cause heartburn, sour stomach, fluttering of my heart, and general depression of mind and body. My druggist recommended Kodol, and it has relieved me. I can now eat anything and sleep soundly at night. Kodol digests what you eat. Sold by R. C. Dodson.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLEN & CO., Chicago, Ill., and Windsor, Canada. Sold by L. Taggart.

Lame Back.

This ailment is usually caused by rheumatism of the muscles and may be cured by applying Chamberlain's Pain Balm two or three times a day and rubbing the parts vigorously at each application. If this does not afford relief, bind on a piece of flannel slightly dampened with Pain Balm, and quick relief is almost sure to follow. For sale by L. Taggart, J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

It makes paint cost about \$1.20 per gallon. DeLancey Gregory, Fort Plain, N. Y., writes: "Have sold L. & M., paint for over 25 years, and everyone is surprised to find how little is required to paint a big house." Sold by Harry S. Lloyd.
