**Let Something Good Be Said.**  
 When over the fair name of friend or foe  
 The shadows of disgrace shall fall; instead  
 Of words of blame, or proof of this and so,  
 Let something good be said.  
 Forget not that no fellow being yet  
 May fall so low but love may lift his head,  
 Even the cheek of shame with tears is wet,  
 If something good be said.  
 No generous heart may vainly turn aside  
 In ways of sympathy, no soul so dead  
 But may awaken strong and glorified,  
 If something good be said.  
 And so I charge ye, by the thorny crown,  
 And by the cross on which the Saviour bled,  
 And by your own souls hope of fair renown,  
 Let something good be said!  
 —James Witcomb Riley.

**Common Colds are the Cause of Many Serious Diseases.**

Physicians who have gained a national reputation as analysts of the cause of various diseases, claim that if catching cold could be avoided a long list of dangerous ailments would never be heard of. Every one knows that pneumonia and consumption originate from a cold, and chronic catarrh, bronchitis, and all throat and lung trouble are aggravated and rendered more serious by each fresh attack. Do not risk your life or take chances when you have a cold. Chamberlain's Cough Remedy contains no opium, morphine or other harmful drug and has thirty years of reputation back of it, gained by its cures under every condition. For sale by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

**Grave Trouble Forseen.**  
 It needs but little foresight, to tell, that when your stomach and liver are badly affected, grave trouble is ahead, unless you take the proper medicine for your disease, as Mrs. John A. Young, of Clay, N. Y., did. She says: "I had neuralgia of the liver and stomach, my heart was weakened, and I could not eat. I was very bad for a long time, but in Electric Bitters, I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by L. Taggart druggist, at 50c a bottle.
