

TO THE PEOPLE

Rich's Famous All Wool Sock has fallen into competition with a very inferior article. The imitation is so perfect that only an expert is able to detect the counterfeit with its cotton and shoddy mixtures, until the sock is put into service. Unscrupulous competitors are representing the sock as Rich's All Wool, thus deceiving the customer and injuring our reputation.

To protect ourselves and the trade, in the future Rich's Socks will bear a Red Seal Trade Mark printed in white, a fac-simile of which is shown above.

Respectfully,

JOHN RICH & BROS.

Had It Bad.
HAINES CITY, FLA.
Philips Drug Co., Warren, Pa.
Dear Sirs,—December 25, 1901, was taken with what physicians pronounced **MUSCULAR RHEUMATISM.**
I had it bad. I took as I thought, every known remedy, paid out enough money anyhow. I was entirely helpless for nearly eighteen months; about that time saw your ad in The National Tribune; sent for a bottle, then sent for another, then another; and now I am out of the medicine business entirely. I give Crocker's Rheumatic Remedy the credit of curing me. I can heartily recommend it.

A FOOLISH PLAN

'Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!
Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.
"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."
What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.
August Flower gives new life to the liver and insures healthy stools.
