An Appeal for the Unfortunate Sufferers in and Around San Francisco.

A greeting to the people,
Who love the stars and stripes,
One moment lend your ear to this appeal,
From the desolate and suffering ones,
On the San Francisco shores,
Where the cruel earthquake dreadful blows did deal.

On the eighteenth day of April,
The great upheaval came,
Bringing death and untold misery in its wake,
No chance for timely warning,
No time to speak or pray,
So quick did death's grim angel overtake.

Tongue cannot tell the awful tale,
Nor yet can pen describe,
The scenes of desolation and of woe,
As stately buildings tumbled down,
And fire leaped on high,
While countless godly people were laid low.

There's thousands of our fellow men,
In this ill-fated place,
Whose homes were taken from them in a breath
And mothers, fathers, sisters dear,
And brothers, all have gone,
To answer to that swift roll call of death.

And though we join in earnest prayers,
That they are now in heaven,
We must remember those who have been spared,
But who are suffering greatly,
For want of earthly aid.
Their heads bowed sadly down with grief and care.

So let us cheerfully subscribe,
Whatever sum we can,
For in the Bible we have read the words,
That they who help the needy,
In trouble or distress,
They also lend their gifts unto the Lord.

GOOD for OLD and YOUNG

August Flower keeps the children healthy and strong—
Full of vigor and frolic the whole day long.
So when Mamma needs more they rush off in high glee,
And shout to the druggist: "Please give it to me!"

Inability to get up brisk and fresh in the morning, lack of appetite, pallor, muddy complexion and poor spirits—these all indicate a disordered stomach and bad digestion—in adults and children, too. They also indicate the urgent need of taking Green's August Flower regularly for a few days.

It's a reliable old remedy for all stomach troubles, never fails to cure indigestion, dyspepsia and chronic constipation, and is a natural tonic for body and mind.

Two sizes, 25c and 75c. All druggists.
