"Speak for it!" she cried to doogie, For she knew in her little heart, That German Syrup, home's great treasure, Could health and joy impart.

QThe greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive. QBut why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweat? Free expectoration in the morning is made certain by taking German Syrup. QWe know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve or cure the worst coughs, colds, bronchial or lung troubles—and that, even in bad cases of consumption, one large bottle of German Syrup will work wonders. QTwo sizes, 25c and 75c. All druggists.

Echoes and Architects.

"It is possible to make echoes," said an architect. "It is, indeed, easier to make than to destroy them. In the past men built their great temples and cathedrals with no thought of acoustics; hence when the preacher preached echoes rolled freely amid the groinings of the roof, down the rows of sculptured columns and round and round the nave. With wires strung here and there, and with tapestries spread there, many of the echoes of the old world buildings have been obliterated. There are echo experts—builders acquainted with the science of acoustics whose specialty is echoes' destruction. Sometimes their tasks are hard. Today an architect takes thought of the echo. His building is constructed so as to exclude this intruder. And, knowing how to exclude it, he knows how to welcome it also. I have frequently in landscape work put up summer houses and arranged rocks so as to create an echo there."—Exchange.

Health In Emporium

T. Taggart Says Care of Digestion Solves Problem of Long Life.

Not one in Emporium has a better chance than the druggist to know the condition of the city's health, and what diseases are the most common.

L. Taggart believes that the problem of long life is solved by proper care of the digestive organs. Let the stomach get out of condition and soon there will be nervousness, irritation, furred tongue, specks before the eyes, weakness, debility, indigestion, and other physical and mental troubles that directly result from a weakened stomach.

Of all the vital organs, the stomach is the most frequently abused, and hence, and one which most frequently fails, and so with the discovery of a remedy like Mi-o-na stomach tablets, which is sold on an absolute guarantee to strengthen the digestive system, aid in assimilation of food, and cures all troubles caused by indigestion, an important step has been taken towards solving the question of good health and long life.

Take one of the little Mi-o-na tablets before each meal, with the fixed determination that you are going to get well, and it will not be many days before you can eat anything without fear of indigestion.

L. Taggart sells Mi-o-na on an absolute guarantee to refund the money if it does not cure. A large box of the tablets costs but 50 cents, if it helps you; nothing if it fails.

Marriage is never a failure but often the contracting parties are.

Sore Nipples.

A cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the child to nurse. Many trained nurses use this salve with the best results. Price 25 cents per box. Sold by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

Never judge what a woman does by what her husband tells her to do.

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Faison, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

All religions have been tried and found satisfactory to the devotees.
