TO THE REPUBLICAN ELECTORS OF PENNSYLVANIA.

I am directed by the Republican State Committee to announce that the Republicans of Pennsylvania, by their duly chosen representatives, will meet in convention at the Lyceum Theatre in the city of Harrisburg, on Wednesday, June 6, 1906, at 10:30 a. m., for the purpose of nominating candidates for the following offices, viz:

One person for the office of Governor; One person for the office of Lieutenant-Governor; One person for the office of Auditor-General.

One person for the office of Secretary of Internal Affairs; and for the transaction of such other business as may be presented.

In accordance with the rules governing the party, the representatives in the State Convention will be based upon the vote polled at the last Presidential election.

Under the rules each legislative district is entitled to one delegate for each two thousand votes cast for Republican electors in 1904, and an additional delegate for every fraction of two thousand votes polled in excess of one thousand.

By order of the State Committee, W. R. ANDREWS, Chairman.

WILL ACCEPT THREE YEARS AGREEMENT

Operations Will Be Resume on Monday.

SCRANTON, May 6.—Nothing developed to day to disturb the general belief that a strike of the anthracite mine workers had been averted.

There seems to be every assurance that the sub scale committee of the organization, which goes to New York early tomorrow morning for a conference to-morrow afternoon with the operators, will be assured by the latter that there will be no discrimination shown in case the men are ordered back to work and that the term of agreement is to last will be readily agreed upon.

It is felt that the readjustment of working conditions can be made at each colliery in a very short time, providing the men use a little patience, and also providing that the foremen make an extra effort to restore peace and harmony.

President Mitchell, the three district presidents and the three district secretaries leave here to-morrow morning at two o'clock for New York and will return to this city immediately after the conference to-morrow afternoon.

They will report to the convention Tuesday morning at a special session to be held in Music Hall. It is expected that the convention will ratify their report and vote for a resumption of work on Monday, May 14, under the award of the Anthracite Strike Commission.

While President Mitchell would prefer an agreement for two years, both he and the other members of the committee, it is understood, will bow to the wishes of the operators and accept an agreement for three years.

AMID HISTORIC SCENES.

Many Outside Attractions to Delight Jamestown Exposition Visitors.

Rich in historic features the many points of interest around Hampton Roads and along the James river will provide additional attractions for the millions of Exposition visitors from all parts of America.

The most honored relic of all that remains of the early settlers is the old church tower at Jamestown Island, built in the seventeenth century, which has withstood the storms of ages, while the rest of the historic old settlement has crumbled away.

Much of the original site of the first settlement in America, at Jamestown, has been washed away and engulfed in the streams since the turbulent times of 1607, but there are abundant traces of the old settlement of Jamestown still visible in the fields near the old church tower.

Near Jamestown are the remains of old Confederate fortifications, built forty-five years ago, and only a few miles away is Yorktown, where the last great British army of the American Revolution, under Lord Cornwallis, surrendered to Gen. George Washington.

Richmond, the Confederate States capital, Petersburg and Appamattox are not far away, and further south, inside the Exposition grounds are other Confederate fortifications, while just outside the grounds, in the famous harbor of Hampton Roads was fought the great battle between the Monitor and the Merrimac, the first battle between ironclads.

Fortress Monroe, where Jefferson Davis was imprisoned during the closing days of the war, and famous as one of the most formidable fortresses in America, is just across the bay from the Exposition. The Portsmouth navy yard is also near at hand.

There are only a few of the many historic features of general interest near the Jamestown Exposition, and there are many other features of interest which are not historic. There are several delightful bathing beaches connected with Norfolk and Hampton Roads by electric railway and steamship lines, in fact, the country in the vicinity of Hampton Roads is an ideal place in which to spend the summer, and next year summer tourists can enjoy a summer's outing and at the same time see the Jamestown Exposition, the greatest military and naval exposition the world has ever seen.

Sciatica Cured For Twenty Years of Torture.

For more than twenty years Mr. J. B. Massey of 3322 Clinton St., Minneapolis, Minn., was tortured by sciatica. The pain and suffering which he endured during this time is beyond comprehension. Nothing gave him any permanent relief until he used Chamberlain's Pain Balm. One application of that liniment relieved the pain and made sleep and rest possible, and less than one bottle has effected a permanent cure.

If troubled with sciatica or rheumatism why not try a 25 cent bottle of Pain Balm and see for yourself how quickly it relieves the pain.

It Is Dangerous to Neglect a Cold.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

Usually the man who talks like a philosopher acts like a child.

Not if as Rich as Rockefeller.

If you had all the wealth of Rockefeller, the Standard Oil magnate, you could not buy a better medicine for bowel complaints than Chamberlain's Colic, Cholera and Diarrhoea Remedy. The most eminent physicians can not prescribe a better preparation for colic and diarrhoea, both for children and adults. The uniform success of this remedy has shown it to be superior to all others. It never fails, and when reduced with water and sweetened is pleasant to take. Every family should be supplied with it. Sold by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

F. H. Pearsoll Practical Painter.

Painting is practical work. Skill wins it's the same with paint making.

You know 4 gallons L. & M., mixed with 3 gallons Linsed Oil makes enough paint for moderate sized house—the best paint money can buy—because the L. & M., Zinc hardens the L. & M., White Lead and makes the L. & M. Paint wear like iron.

Buy L. & M., and don't pay \$1.50 a gallon for Linsed Oil, as you do in ready for use paint, but buy oil fresh from the barrel at 60 cents, and mix with the L. & M.

Actual cost L. & M., about \$1.20 per gallon. Sold by H. S. Lloyd.
