Letter to S. J. Hackett.
Emporium, Pa.

Dear Sir: How easy it is to get things mixed! This comes from our agents, Messrs. B. K. & G. W. Stickle, Rockaway, N. J.

A Rockway man was going to paint two houses a year ago, lead and oil. They induced him to paint one Devco, by agreeing to bear any loss it might bring him.

One of his houses chalked-off, and he called for a settlement.

The boot was on the wrong foot. Lead-and-oil, is the chalk; not Devco. It was a mistake, not a bunco.

If Devco chalked-off as lead-and-oil does, it would stand a ghost of a chance in the market.

Yours truly,
F. W. DEVOE & Co.,
New York.

P. S.—Murry & Coppersmith sell our paint.

"NO CURE, NO PAY."

How L. Taggart Sells Hyomei the Guaranteed Cure For Catarrh.

L. Taggart has an unusual offer to make to our readers, one that will be of the greatest value to many.

For some years L. Taggart has been watching the results from the use of Hyomei, a treatment for catarrh that cures by breathing medicated air absolutely without any stomach dosing. The results have been so universally successful that he feels justified in making a public offer to treat the worst case of catarrh in Emporium with the understanding that if Hyomei does not cure, the treatment will cost absolutely nothing.

People who have spent large sums with catarrh specialists, deriving but little benefit, or the many who have swallowed stomach remedies in the vain hope of curing catarrh, have experienced almost immediate relief from the use of Hyomei, while the continued treatment for a short time, has resulted in a complete and lasting cure.

The regular Hyomei outfit costs only one dollar, and consists of a neat pocket inhaler that can be carried in the purse or vest-pocket, a medicine dropper, and a bottle of Hyomei. If this is not enough for a cure, extra bottles of Hyomei can be obtained for 50 cents.

L. Taggart positively guarantee a cure, if Hyomei is used in accordance with directions, or he will refund the money.
