OUR PLATFORM. The Republican party of Cameron county heartily approves the wise, courageous course of President Roosevelt, who has given the country one of the most notable administrations in the history of America, in the best interests of all the people, regardless of party. courtesies extended to our county, and his unti-ing effortis in behalf of our people. His record has been honorable and worthy of praise. It is with pride that Cameron county presents the name of our honored ditizen and neighbor as a candidate for President Judge of the 25th Judicial District, Mr. Benjamin W. Green, be liveing that his emident fitness, long practice in the courts of the several counties, his familiar-ity with our varied interests and its people will ity with our varied interests and its people will give the Bench an able jurist, in the prime of life; honest, safe and impartial. We strongly urge upon our sister counties that they accord him the unanimous nomination and election,

pledging his fidelity to the best interests of the entire people, unbiased by political opinions. We pledge our united support to the candi-dacy of Capt. Chas. F. Barclay for member of Congress and urge strongly our claims upon the district. We present an upright gentleman, a clean farseeing business man and a scholar; an employer of labor in large numbers in this and other counties-Cameron, McKean, Potter, Sul-livan and Bradford counties-his interests are closely allied with Pennsylvania. If nominated and elected, he would make a faithful servant of and elected, he would induce a latitud servan of the people. Capt. Associate Jadge is a compliment worthily be-stowed upon a good citizen, a careful bu-in ra-man and a kind benefactor to many of our citi-tens. A quiet unassuming gentleman, he has for years labored for the material advancement for years indocred for the materna auxoncement of our county, investing his means where it gave employment to many men. The man who has sufficient confidence in our county to expend his means at home and give labor employment is always a safe elitan. Such is Hon. Geo. J-LaBar. Like his running mate, Capt. C. F. Leav itt, is a native of this county, having been born on West Creek, Shippen township. He has labored hard and zealously to fit himself for his sen occupation, that of school teacher. His billty is undisputed. The American people be-ave in sustaining the poor boy who fights his utile, alone and unaided, to secure an educa-tion, that he may advance among his fellow-men Our nominee has demonstrated that he had the courage to fight and work. Our people know and appreciate his efforts and will nobly encour-age kiun, and other young mes, to push forward, The Repúblicans of Cameron county extends

The Repúblicans of Cameron county extends to the retiring Prothonotary, Mr. C. Jay Good-mough, its thanks for the faithful and efficient manner he has conducted the affairs of his effice during the past twelve years, the proficiency of his labors being highly commended. While many of our citizens urged him to again become a candidate, he begged to be ex-cused, other business requiring his attention. Address of B. W. Green, in Memory of Judge Mayer.

We copy the following from the Clinton Republican, being in part the eloquent tribute paid by B. W. Green, Esq., in behalf of the Cameron County Bar to the memory of Hon. Charles A. Mayer, at the meeting of the Bar Association of this Judicial District at Lock Haven, May 22d, 1906:

of this Judicial District at Lock Haven, May 22d, 1906: "B. W. Green, Esg., of Emporium, said it is appropriate that this meeting should be held by the members of the bar of the Twenty-Fifth Judicial district, as well as those of the adjoining counties, to pay tribute to the memory of the deceased, Hon. Charles A. Mayer. It has been my pleasuse to have known Judge Mayer somewhat intimately for about a quarter of a century, and more particularly since the new formation of the Twenty-Fifth Judicial district in 1883. He followed in our county that renowned jurist, Hon. Henry W Wil liams, who graced the supreme court bench for so many years afterwards and their names will ever be enrolled upon the pages of the judiciary of this state. From that time until the present he has held our courts, and to me it seems like the loss of dear personal friend. I heartily endorse every thought of the mem-bers of the bar that have preceeded me. His knowledge of the law and his cor-rectriess of opinion cannot be expressed in words. We members of the bar of the Twenty Fifth Judicial district have lost a shining light. We will always remember him with the greatest respect. Yes, we have lost a friend; but we must remember that Judge Mayer is not only a loss to us; he is a loss to the so(000 inhabitants of this district. His knowledge of the law and his knowledge of the people were perfect. He had a hold upon the masses that no other map n this district ever has held or ever will hold."

Cameron county for the m nation for said of-fice does respectfully and mode earnestly request from. Samuel W. Pennypacker, Governor of Pennsylvania, to appoint Mr. Greese President Judge of this Judicial District, te fill said vac-

uage of this sudicial District, to fill said vac-ncy. Mr. Green is an earnest and consistent Repub-ican. For upwards of thirty years he has been in active and successful practioner at the Bar of bis and adjoining cowrites, as well as in the ppellate and U. S. Courts. His experience has een wide, his qualifications are preseminent, his haracter is irrep: o chable, his ability is unex-cled. His appointment would maintain the igh standard of judicial ability which has char-cterized our courts under his seminent predeces-ors, Hon. Benry W. Williams and Hon. C. A. Tayer, stud would be most creditable to the lovernor, the district and the state, and we gain most earnestly urge the appointment of the Green.

E. D. WHITE. O. B. TANNER, Sec'ys.

Hon. Josiah Howard, having received the unanimous vote of the county at the Primary election held on May 26th, his name was presented to the convention for Member of Assembly and received the umanimous endosement of the convention.

Messrs. J. P. McNarney, A. C. Blam and C. Jay Goodnough were appointed a committee to revise the county rules to conform to the new state faw. The candidates nominated were pre-

In this case it would have been an impossibility, only for the fact that Mr. Lubin, who is known, is the pioneer of this enterprise and the largest manufacturer in the world; has in every large city a corps of operators ready at all times to get new and interesting views. A Bad Accident.

Wednesday afternoon a Hungarian boy named Martin Shear, jumped into a wagon loaded with sand and as it was passing the store of M. T. Hogan, the lad fell off, and the hind wheel of the wagon passed over his abdomen. Remarkable as it may seem, he jumped up and ran as far as the corner of Maple and Fourth streets, when he fell. Dr. DeLong, who attended the boy, informs us that he was seriously injured, and there are small hopes of his recovery,

Grocery Advertising.

The Philadelphia Record which very often gives excellent information concerning advertising recently gave a tip to some advertising managers may act upon with good results. "Grocery advertising," says the Rec ord, "has still to reach the development of that of the department store. The main thing is to have a bargain to make a newspaper display. One grocer could not get rid of a stock of small oranges. He offered them in striking type at 40 cents a peck. They sold quickly. While he realized about as much as if they had been sold by the dozen, his store had the benefit of an effective advertisement." Some wise grocer, says Newspaperdom, may take advantage of publicity and make fortune.
