Edward Everett Hale's optimistic article on "The Comforts of To-day," and the first article of a serious campaign against Child Slavery are the contrasting features that distinguish the June number of the Woman's Home Companion. The latter subject is handled in a masterly way in the first of a series of articles called "To Save the Children"—each article sustained by actual photographs and names and addresses of little children drudging all around you.

The editor who can please everyone is not fit for this world, but is entitled to wings. Human nature is constructed so that some like scandal, some don't; some like fake exposed, others don't; some like the truth told about them, others do not. Some like to take the paper for seven or eight years and never miss an issue or pay a cent, and get mad and stop it when they get a statement of their account; others don't. It is some consolation to know that the lord himself failed to please everyone while on earth.

Eye Specialist.
Prof. W. H. Budine, the well known Eye Specialist, of Binghamton, N. Y., will be at R. H. Hirsch's jewelry store, Emporium, Pa., June 16th. If you can't see well or have headache don't fail to call and see Prof. Budine, as he guarantees to cure all such cases. Lenses ground and fitted in old frames. Eyes tested and examined free. All work guaranteed.

Clothes and Conduct.
Every man and every woman feels the influence of clothes and appearance upon conduct. You have heard of the lonely man in the Australian bush who always put on evening dress for dinner so that he might remember he was a gentleman. Addison could not write his best unless he was well dressed. Put a naughty girl into her best Sunday clothes, and she will behave quite nicely; put a blackguard into khaki, and he will be a hero; put an omnibus conductor into uniform, and he will live up to his clothes. Indeed, in a millennium of free clothes of the latest fashion we shall all be archangels.—London Chronicle.

Boy Legged Men.
Do not recall the boy legged man, for he plays an important part in the world. It is estimated that 40 per cent of mankind are boy legged, so numerically this class is entitled to great respect. Boy legs invariably accompany a robust physique. We find them one of the conspicuous features of athletes. Comedians are almost always boy legged. Of the boy legged geniuses to which humanity points with pride the most illustrious examples are Caesar, Horace, Napoleon, Wellington, Schopenhauer and Cavour, the celebrated Italian statesman.—London Answers.

The Bright Side.
Words of cheer are words of help; words of gloom are words of harm. There is a bright side and a dark side to every phase of life and to every hour of time. If we speak of the bright side, we bring the brightness into prominence; if we speak of the dark side, we deepen its shadows. It is in our power to help or to hinder by a word said and every person with whom we come in contact.

He is a mean man who refuses to give praise when it is due.

\$500 Reward.
On or about May 5th or 6th some thief forcibly entered mill No. 1, (old mill) and broke into two tool chests, stealing tools, etc., and ruining an other valuable chest. We will pay the above reward for information that will lead to the arrest and conviction of the party.

Sickness in Emporium

More Cases of Illness this Spring Than in Former Years.

An open winter such as the one just passed always leaves more sickness than usual in the Spring, as the stomach is overloaded with Winter food that is not needed.

Physicians and druggists say there are more cases of illness in Emporium this Spring than in former years. Perhaps there is not so much serious sickness, but Spring languor, loss of appetite, headaches, sleeplessness, back aches, weakness and debility, indigestion and other ills that result from indigestion or an over-worked stomach, are more common than they have been for some years past.

This has resulted in an unusual demand for Mi-o-na stomach tablets at L. Taggart's. Before he felt that he could recommend this remedy, he tested it rigidly in many cases of heart-burn, indigestion, wind on the stomach, debility, and other troubles that result from a weakened digestion, with the greatest success.

In fact, Mi-o-na has been so uniformly successful in curing all stomach troubles that L. Taggart gives a signed guarantee with every 50 cent box to refund the money if it does not cure.

Take one little tablet before each meal for a few days, and you will soon regain perfect health and strength, and lose all fear of indigestion or stomach troubles. Ask L. Taggart to show you the guarantee under which they sell this remedy.

Don't expect to get rid of your troubles by advertising them.

Letter to Fred Julian.

Emporium, Pa.
Dear Sir: If our agent charges you 10 cents more for a gallon of paint than somebody else, don't think he is making more profit; we charge him more; it costs us more. It is all paint, true paint, and full-measure.

No other paint is all paint, true paint, and full-measure, so far as we know. That is wrong. We know some that are pure and full-measure, but weak, thin, too much oil and too little lead-and-zinc; an honest sort of weakness; don't know any better, may be.

It amounts to this; so far as we know; and we think we know the whole American trade; there is no other name but Devco that stands for all paint, full-measure, right proportion. That's why it takes less gallons and wears longer.

Yours truly,
F. W. DEVOE & Co.,
New York.

P. S.—Murry & Coppersmith sell our paint.

Stomach Troubles.

Mrs. Sue Martin, an old and highly respected resident of Faison, Miss., was sick with stomach trouble for more than six months. Chamberlain's Stomach and Liver Tablets cured her. She says: "I can now eat anything I want and am the proudest woman in the world to find such a good medicine." For sale by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

A Protest.
The Lion—the Leopard, you know, cannot change his spots. The Zebra—Well, I can't change my stripes either, but no one ever thought it of sufficient interest to make a proverb of.—Philadelphia Record.

Good Nature May Be Costly.
"Don't look so glum, Pilkerton. Use cheery words. They cost nothing."
"Cost nothing! If I speak ten cheery words to my wife, she asks me for some money."

A Little Misunderstanding.
"Sir, your son's performance on the French horn is execrable. It will drive everybody from my house. You told me he was a teacher."
"I did not. I said he was a tooter."

Men are often capable of greater things than they perform. They are sent into the world with bills of credit and seldom draw to their full extent.—Walpole.
