Protect Your Vitality.

L. Taggart's Sensible Advice to Take Care of the Digestion. Did you ever stop to think of the duty that you owe to yourself and to your family to protect your vitality so that your powers may be always at their best? Just consider yourself a wonderful and complicated machine, perpetually working and wearing out.

The vital part of the human machine is the stomach. When it is strong and acts naturally, so that digestion is perfect and the food that furnishes our steam-power is stimulated, and the waste properly removed, then we can do our best work and get the most enjoyment out of life. On the other hand, if the stomach gives out, all the vital organs will soon become weakened and diseased.

L. Taggart very sensibly advise people to take care of the digestion by strengthening the stomach with Mi-o-na tablets, a remedy which he absolutely guarantees is a positive cure for all stomach troubles, except cancer of the stomach, and sell it with the understanding that it costs nothing unless it cures. Just as soon as you feel that your food does not properly digest, that you taste it after eating, that the tongue is furred the breath heavy, the appetite poor, the head dull and aching, begin the use of Mi-o-na stomach tablets.

If your stomach troubles you do not conclude that there is no cure, for a great many have been permanently cured by Chamberlain's Stomach and Liver Tablets. Get a free sample at L. Taggart's drug store; John E. Smith, Sterling Run; Crum Bros., Sinnamahoning, and give them a trial. They also cure constipation and biliousness. He seals himself tonight who sins against the light.

The Very Best Remedy for Bowel Troubles. Mr. M. F. Boroughs, an old and well-known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it."

Unknown Friends. There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people however, are none the less friends of this remedy.
