DEATH'S DOINGS.

CAVANAUGH.

MICHAEL CAVANAUGH, Sr., aged 76 years, passed away last Sunday evening, after a long and serious illness, covering a period of ten years. Deceased leaves a family of ten children, all grown to womanhood and manhood, viz: Mrs. Mary Kahley, Johnsonburg; Frank and Michael, at home; John, residing on Clear Creek, Thos. at St. Marys, Malachi and Andrew, in business at Pittsburg; Mrs. Maggie Trebswether, at home; Mrs. Nellie Robinson, St. Marys; James, who resides in Oregon; also one brother, Thomas, who resides at Williamsport, but too feeble to attend the funeral. All of the children were present at the funeral, except James, who resides too far from Emporium to make the journey in time for the funeral.

Deceased has resided in Emporium about forty years, working most of that time for Pennsy. R. R. until illness compelled him to take to his bed. The funeral was held at St. Mark's church yesterday morning and was largely attended. This makes the third death in this family within a few years—first the mother, then a brother and now father.

Judge Green Officially Busy.
Judge B. W. Green is attending strictly to his duties as president Judge of this judicial district, holding argument court in all three counties, thereby catching up with the work long delayed by the illness of the late Judge Mayer. Judge Green held court at Lock Haven last Thursday and Friday and disposed of a large list of causes. A regular term will be held at Lock Haven for two weeks, last week in Sept. and first week in Oct. Court will be held at Ridgway second week in Oct., followed by one week at Emporium, commencing Monday, Oct. 22. We hear only praise of Judge Green wherever he has held court, his courteous and impartial rulings having given general satisfaction. All over this district the sentiment in favor of Judge Green's election upon a non-political ticket is rapidly forging to the front and hundreds of democrats will champion his election. The people know what they want and will have it.

Pleasant Home Wedding.
A pleasant home wedding took place at the residence of Mr. and Mrs. A. Weisenfu, West Sixth street, Monday at high noon, the contracting parties being Miss Lena Weisenfu and Mr. Geo. Neidlinger, of Ridgway, formerly of Emporium, Rev. Mr. Calvin, pastor of First Baptist Church. The bride was becomingly gowned in silk organdie, while the groom wore the conventional black dress suit. The wedding guests were confined strictly to the family and relatives, with the exception of Mrs. M. A. Rockwell, a dear friend of the bride. After hearty congratulations, an elegant dinner was served, after which the bridal party departed on 4:20 P. M. for Ridgway, their future home. The bride and groom were recipients of numerous handsome and useful presents, tokens of esteem from their very many friends. The PRESS, as well as all who know them, join in congratulations and cordially recommend them to the good people of Ridgway.

New Proprietor.
Robert D. Graham has taken possession of the New Valley House, at Cameron, having purchased the furniture and rented this well known house. The property will be improved and fitted up in first-class style. Robt. has many friends, in this county, who will remember him when in Cameron.

Big Contract.
The Calder Brick works has been awarded a large contract by the city of Lock Haven. The reputation of the Calder brick is daily increasing and orders, big ones at that, are pouring in. Supt. Walker is a Captain and pushes along the work. We understand the capacity of the plant will be doubled. Good for Calder.

Furnished Rooms.
Five or six furnished rooms to rent, with bath. Suitable for light house-keeping. Apply at PRESS office, by letter only, addressed to "Rooms."

Thank Them Personally.
An exchange very truthfully remarks: Editors would be the last men on earth to knowingly hurt the feelings of their subscribers or citizens, especially at a time when the dark winged messenger of death has brought sorrow to the home, but it is from the best of motives that attention is called to the custom of publishing "cards of thanks." It is a custom that has outgrown its purpose, if it ever had one. When sickness and death come to your home it is only natural that your friends and neighbors should do what they could to assist you. They would be heathens if they did not. They know from the expression of your face that you are thankful and deeply appreciate all they do, and it is not necessary to rush into print and tell the world that your neighbors were kind when you were in trouble. The reading public has become tired of the old stereotyped "card of thanks." You can express to your friends by a look or word of thankfulness in a more impressive manner than you can in a column of cold type.

Bought Nice Home Here.
Charles Butler has purchased the Tom Catlin house on Harrison street and will move his family here from Emporium at once and will occupy the new home. Mr. Butler bought this property for a thousand dollars, the best real estate bargain made in Port Allegany in a long time. It is in a good location, cheap insurance and very desirable in every way. The Reporter unites with others in welcoming Mr. Butler and family to Port Allegany.—Port Allegany Reporter. Well may our Port Allegany friends welcome this excellent family to their town. Words cannot express the regret of the PRESS and hundreds of Cameron county friends over their departure. They were held in the highest esteem in Emporium and will be greatly missed.

Base Ball.
The game between Emporium and St. Marys nines at Keystone Park last Saturday was won by Emporium by a score of 8 to 7. Outside of one bad inning for each team the game would pass creditably.

On Tuesday the home team met its old rival Renovo and put up one of the worst exhibitions of base ball ever witnessed on the home grounds. Hemphill and Overturf were the battery for Emporium and played good ball. Hemphill struck out ten men and had but a few scattered hits and with good support the game would have been close. Fisher, in left field, played a star game for the home team. Some of the boys were up in the air for fair. Score 13 to 1.

Quarterly Meeting.
Quarterly meeting service will be held at the Emporium Free Methodist Church, beginning on Friday evening and lasting over the Sabbath.

Preaching Friday evening at 7:30; Saturday evening at 7:30. There will be a missionary rally. The missionary sermon will be preached by Rev. Alfred J. Hill. Lovefeast Sabbath morning at 9:30, preaching at 11:00, followed by communion service. Children's missionary meeting at 3:00 p. m. Preaching Sabbath evening at 7:30. The district elder, Rev. A. J. Hill, will have charge of the meeting. All are welcome.

J. NELSON BENNETT, Pastor.

Wedding Bells.
Miss Ada Pearl Houser of this place and Mr. William Fred Mason, of Renovo were married July 18th by the Rev. Bennett, pastor of the Free Methodist church, at the home of the bride's grandmother, Mrs. S. S. Hackett. Miss Rose Danforth, cousin of the bride acted as bridesmaid, and Mr. Orwin G. Houser, brother of the bride, was best man.

Mr. and Mrs. Mason left for eastern cities to spend their honeymoon after which they will reside at Renovo. The PRESS extends congratulations.

EDITORIAL COMMENT.

The nomination of Captain Barclay, of Cameron county, for congress in the Twenty-First district will add strength to the Republican ticket in that county. Little Cameron is at the front this year, with a president judge on the bench of the Twenty-fifth Judicial district and a congressional nominee our neighboring county naturally feels a little proud. Judge Green and Congressman-to-be Barclay are men of high character and are an honor to any county.—Lock Haven Republican.

Captain Barclay is perhaps freer of personal animosities than any other man in Cameron county that has had anything to do with public affairs. He went there directly after the war, in which he made the record of a true patriot; has lived there ever since, making his home at Sinnamahoning. He has always been actively interested in local affairs, but not an office seeker. His county never before had a district nomination and when the present congressional appointment was made his neighbors put him forward as a candidate. Four years ago his county conceded, as did the others, the claim of Mr. Dresser to the second term. This year the Republicans of his county came forward and asked for the nomination on grounds that made their position strong. They offered a man of splendid personal qualifications, one of exceptionally clean and consistent politics and enjoying the highest personal regard of all who knew anything about him.—DuBois Courier.

Captain Barclay, is a clean, intelligent business man, a Bucktail soldier of prominence and will command a large following in the whole district. While we complain of the treatment we received Capt. Barclay is in no wise to blame and the Journal pledges its best offices to secure his election to congress.—Clearfield Journal.

Capt. C. F. Barclay, of Cameron county, who was nominated at DuBois last Thursday by the Republican party for member of Congress from this district, is a man whom every Republican in this district can conscientiously give their most hearty support. He is a veteran of the Civil War and a man who is popular with all who know him. He has always been a staunch Republican and is an ardent admirer of President Roosevelt and his noble policies. He is a man of recognized ability and is fully capable of representing this district in Congress. Capt. Barclay is one of those men who makes friends where ever he becomes acquainted and as he will make a canvass of the entire district it is safe to assume that he will be elected by a large majority.—Smethport Miner.

As Capt. Barclay was reared in Coudersport and enlisted in this county for the war, in which he made an excellent record and won rapid promotion, it is gratifying to the Journal to note the honor bestowed upon him by the Republicans of his district.

Fully informed on all the important issues of the times, an eminently successful business man, and a man in full accord with the essential principles of Republicanism, yet independent of boss rule and intolerant of turpitude in private or public life, Mr. Barclay should make an ideal representative of the people in the national legislature. His election is practically assured from the start.—Potter Journal.

Those who are acquainted with Captain Barclay speak of him in the highest terms as a man.—Smethport Democrat.

Mr. Barclay is a man most favorably known in his own county, known by reputation hereabouts. He is a civil war veteran and won captaincy by bravery on the field at Chancellorsville, a member of the famous Bucktail company. A lifelong republican in a staunch republican district, he will go in by one of the biggest majorities ever accorded a nominee in the district.—Port Allegany Reporter.

They (Cameron) offered a man of splendid personal qualifications; one of exceptionally clean and consistent politics and enjoying the highest personal regard of all who knew anything about him; and they could further show that being without a district candidate heretofore, they would also be without hereafter, if it was not secured this year, owing to the change in the primary election law. These things had weight with the conferees against the claims of Clearfield and Centre, and were not without the effect in

bringing about the result.—Bellefonte Gazette.

The Review was the only paper in the district to come anywhere near predicting the possible winner. In a March issue it presented the qualifications of Capt. Barclay and stated that he would be one of the best men the district could nominate.

In its issue of May 30, the Review came even nearer the mark. Editorially it said: "There is always some uncertainty about the selection of a congressional candidate, but we will be very much surprised if the Republican nomination doesn't hit pretty close to that stalwart veteran and clean cut citizen of Cameron county, Capt. Barclay."

It is needless to state the Review is for Barclay. In him it recognizes a man who is fitted in every way to represent the district creditably and honorably, a man whose past record has been clean and above reproach, and whose ability is unquestioned. A consistent Republican, a war veteran, a successful business man, and respected by all with whom he mingles in a business or personal way, Capt. Barclay embodies the qualifications that will return him a winner at the November election.—Curwensville Review.

"The failure of Capt. W. C. Kress to register in Clinton county assures the nomination of Judge B. W. Green. The Clinton county primaries will be held July 28.

"A great many influential Democrats have declared their intentions of supporting Judge Green and if the Republicans will do their duty, put their shoulders to the wheel and bring out the full vote, he will be elected by a handsome majority.

"Barclay, Green, Howard and LaBar make a strong quartet and should poll nearly every vote in Cameron county. Why not make it unanimous?"—Driftwood Gazette. By all means make it unanimous and include William J. Leavitt, the bark peeler, as well as McNarney, Russell and Wyckoff. And don't forget the whole Republican state ticket. Stand pat, men. That's the way to make it unanimous.

Letter From Cameron.

Kindly permit me to answer an item that appeared in the East Emporium Independent, two weeks ago, relative to the renting of the K. G. E. hall for dances. The correspondent stated that "\$4.00 is altogether too much to pay for the use of the hall, and then pay a dollar for the use of the organ. Looks very much like buying the whole outfit." In answer to the gentleman I will say that he only paid \$2.00 on evening of June 30th and then wanted the organ carried down stairs for his use, when it was in use upstairs. I also wish to state that some years ago it was decided to charge \$1.00 extra for organ and the ruling was not new, as he would make us believe. Whenever the members of this Lodge need the assistance of outside parties to regulate the price of the hall or organ rental we will call on them. If any parties think the rent is too high they should not rent the hall. Surely the members have never requested any one to rent it if they thought the price too high. Whenever the K. G. E., of this place, see fit to give a dance they can have it and make enough to pay all expenses and have a balance left. They have always been able to engage a caller and music—which some parties could not—and they were never obliged to use a squeaking phonograph to murder music.

There are a class of people in every town, who make their living without working, and another class who try to but fail for the want of brains. As members of the K. G. E., we never had to blow our own horn when we had a dance—we left that to the people.

MEMBER OF K. G. E.

Wrist Cut.

Alfred Nelson, one of our enterprising carpenters, while "raking" tomato vines at his home, Tuesday evening, drove the bit of his hatchet into his left wrist, making a deep cut about three inches long. Of course he carries his arm in a sling and will not be able to work for some days.

HALL'S NOMINATION WILL BE CONTESTED.

George A. Brown, of Lock Haven, Enters the Fight for Judgeship in That District.

[Williamsport Bulletin.]

LOCK HAVEN, July, 22.—All is not harmony in the Democratic camp in Clinton county. The announcement of George A. Brown, of this city, as a candidate for President Judge of the Twenty-fifth Judicial District has caused cold shivers to the Halls. The Brownites are determined to do away with the rule of J. K. P. and Harry A. Hall in the counties of Elk and Cameron. The \$30,000 berth (\$3,000 per annum for ten years) had been especially reserved for Harry Alvan Hall, who is Elk county's favorite son, while J. K. P. Hall gobbled up the senatorial plum again. The Hall adherents in the county were not figuring upon any opposition to the carrying out of this program.

Brown is a member of the law firm of Brown & Stevenson, and is regarded as one of the most learned legal practitioners at the Clinton county bar. He no doubt will receive the endorsement of the Clinton county Democrats in the convention next month, and the conferees will be instructed to support him in the judiciary.

Business Men's Convention at Erie.

Arrangements for entertainment of the Retail Merchants' Association of Pennsylvania at Erie, August 21-23 are being actively prosecuted by committees from the Erie Business Men's Exchange and the Erie Retail Grocers' Association. The general committee in charge of the arrangements consists of: Chairman, Frank J. Detzel; vice chairman, J. W. Throop; A. M. Howes, T. W. Maloney, J. E. Zeiser, L. C. Schauble, Dr. G. W. Cochran, Conrad Klein, A. G. Kahl, Otto Fohr, C. L. Weschler and W. R. Beckman. The committee expects not less than 500 delegates and visitors. After one of the business meetings it is expected that the visitors will take a ride about the bay in the power boats in use in the harbor of Pennsylvania's only lake port. An outing at Waldameer and a fish fry at Four Milk Creek are other features proposed.

The ladies committee consists of Mrs. F. J. Detzel, Mrs. J. W. Throop, Mrs. T. W. Maloney, Mrs. J. E. Zeiser, Mrs. C. Bloesser and Mrs. D. M. McDonnell, who will see that the delegates and other visiting ladies are well taken care of during their stay in Erie. One of their plans is to take the ladies for an automobile ride about the city during one of the business sessions.—Trade Journal. Cameron county business men's branch have elected the following delegates: F. D. Leet and Chas. Diehl; alternates, M. C. Tulis and T. H. Norris. We learn all will attend, accompanied by their ladies. They will have a big time.

The Bachelor Girls.

Miss Helen M. Hogan, daughter of Mr. and M. T. Hogan, old and respected citizens, entertained the Bachelor Girls Club, Monday evening, at their residence, Fourth and Maple streets. The Club turned out in large numbers, there being eighteen present. The evening was delightfully enjoyed by the ladies. The event of the evening was the announcement of the hostess' engagement of Mr. Byres H. Gitchell, of Binghamton, N. Y. Congratulations, Miss Nellie.

Regular Army Soldiers.

About 250 soldier boys marched from Buffalo to Emporium, arriving here Saturday afternoon, making sixteen miles each day. They camped on the old N. P. Minard farm, north of Emporium, over night and left early Sunday morning for Driftwood, arriving about 2:30 p. m., leaving the next morning for Lock Haven, via Karthaus and Snow Shoe. At Lock Haven they take the cars for Mt. Gretna, where they remain until Oct. 1st. They will return via Emporium about Oct. 5th.

Sudden Death.
Harry M. Fry, who left Emporium about ten years ago and located at Raton, New Mexico, where he engaged in the furniture and undertaking business, came east June 30th to visit his parents at Port Allegany, after trying the climate of Colorado and other states, hoping to regain his rapidly failing health, caused by heart trouble, was suddenly taken worse on Saturday last and died almost instantly. His wife, whom he married in New Mexico, and three small children accompanied him. His remains were taken to Montoursville on Sunday for burial. In addition to his wife and children, he leaves a father, Chas. Fry, and sister Katie and brother Pearson.

Early Morning Blaze.
About four o'clock yesterday morning our citizens were aroused from their slumbers by the fire whistles. The fire proved to be Chas. Diehl's barn near his store, containing four horses. The fire was discovered by Mrs. Diehl, when her husband hastened to the barn and liberated his four horses. The fire is a mystery and Mr. Diehl believes it to be the work of an incendiary. Damage about \$100 to building and contents. A reward will be paid for evidence that will lead to the conviction of the culprits. Two men were seen running up the alley before the alarm was given.

Accident at Rathbun.
