CHAS. DIEHL.

Hon. George J. LaBar.

GEORGE J. LABAR, of Emporium, one of our Associate Judges by appointment of Gov. Pennypacker to fill the vacancy made by the death of Hon. Geo. A. Walker, having been honored with the nomination for the full term by the Republican party, it is eminently right and proper that those unacquainted with our popular citizen should be informed a little more fully and given a few facts and reasons why he should be elected to the responsible and honorable position of Associate Judge.

Judge LaBar was born at Pitston, Pa., Dec. 23, 1845, of French-German parentage; lived on a farm after two years of age until the outbreak of the civil war, when he like thousands of other patriotic Pennsylvania boys, bolted from the farm and enlisted in the First Pennsylvania Cavalry, Co. I., being then but sixteen years of age. He served one term of enlistment and re-enlisted on the field for three years, passing through every engagement from the start to finish, never receiving a scratch. After the battle of Bull Run he was promoted to Sergeant for bravery displayed on the field. Mr. LaBar participated in more than one hundred battles and "scraps", the most important being Chancellorsville, Bull Run, Fredericksburg, Gettysburg, Wilderness, Cold Harbor, under Gen'l Grant and Gen. Gregg and participated in the hunt to bottle Stonewall Jackson. His command after marching down Shenandoah hastily returned to participate in that greatest battle of the century—Gettysburg—and served as one of Gen. Mead's body guards during the battle. Describing this battle, always interesting to a Pennsylvanian, the Judge described how rapidly the Confederate sharpshooters picked off Mead's guard, but the Keystone State boys stood by their commander. The First Pennsylvania Cavalry contained many Cameron county boys, and wherever the First went the Bucktails was

sure to follow—in fact during the last three years they were continually together. When Lee laid down the First regiment was sent into Kentucky to force peace. After serving three years, six months and fifteen days in active service, he was mustered out at Harrisburg, Aug. 1865, in his 20th year, returning to Wilkes-Barre, where he entered the hard coal mines as miner and bears the peculiar marks of the miner to-day. Judge LaBar was married in 1867 and came to Emporium, working at Fenton's saw mill under Jos. W. Frank. He followed this kind of work in mill and woods for several years and finally entered the employ of Emporium Tanning Co. as fireman and engineer in 1867, '68 and '69, later taking up carpenter work and for a few years went to Bradford and by hard work and strict economy saved sufficient money to complete his little home where he now resides. Judge LaBar entered business, near his present store in 1883, as furniture dealer and undertaker and to-day is one of the most successful business men in the county. He takes a lively interest in the up-building of our town and always aids any worthy object. His kindness to more than scores of our citizens will be gratefully remembered at the polls.

When the Keystone Powder Co. was organized he became one of the leading stockholders and held the position of Vice President, disposing of his stock last November. While always a Republican he never took an active part in politics until appointed Associate Judge by Gov. Pennypacker. His popularity among all classes, regardless of party, makes him a strong candidate and his election by a handsome majority is conceded by even his opponents. An honest, upright citizen, kind parent, husband and neighbor, it will be a pleasure to vote for a man like Geo. J. LaBar, who invests his earnings at home, thereby aiding in the prosperity of his town and county.

Letter to Balcom & Lloyd.

Emporium, Pa.

Dear Sirs: Now, may be, you can't get the goods, if you can, your fortune is made. Cotton cloth—they call it muslin in some parts—at about the usual price per yard, but wider, twice as wide as some, and better, wears better, keeps white and whole a surprising time in all sorts of wear.

You could sell that cloth for hundreds of miles; there be no limit.

A yard goes further; one buys less yards. Wears longer; one buys less often. It always looks right till well worn out. No one customer buys so much of it, but think of the number of customers!

May be you can't get it in cloth; but you can in paint; Devco. Devco is as if it were wider, a gallon goes further; you buy less gallons; you pay for less gallons; you pay for painting less gallons—as if one paid less for making a garment of that wide cloth—and it keeps its fresh look and sheds water till you have forgotten how old it is.

It isn't truth in cloth, but it is in paint; the less you pay, the better it is; for the goodness of paint is reckoned by gallons; less gallons, more goodness. Goodness in paint is strength. The stronger a paint the less gallons it takes for a job and the longer it wears.

Yours truly,
F. W. DEVOE & Co.,
New York.

A bath cleanses the skin and rids the pores of refuse. A bath makes for fellowship and citizenship. Not only should the outside of the body be cleansed but occasional use of a laxative opens the bowels and clears the system of effete matter. Best for this are DeWitt's Little Early Risers. Pleasant little pills that do not gripe or sicken. Sold by R. C. Dodson.

When two strong man come to blows, even if they are well matched, it is not a pleasing sight, but if the man who gets the worst of it will use DeWitt's Witch Hazel Salve, he will look better and feel better in short order. Be sure you get DeWitt's. Good for everything a salve is used for, including piles. Sold by R. C. Dodson.

There are some church workers who try to work for the church.

In these days of rush and hurry courtesy is often forgotten. In the mad, pell mell rush of our life little things are done to offend that we rather remained undone. A hastily eaten meal and its resultant headache may cause us social and financial loss. The wise man or woman is the one who relieves little ills of this sort by a little dose of Kodol for dyspepsia. It digests what you eat and puts your stomach back into shape. Sold by R. C. Dodson.

Silent votes do most of the talking on election day.

Fred Bliss Practical Painter.

It's sound sense that we tell you. Your work costs less dollars and is best every time you use the L. & M. Paint.

You do more painting with one gallon of L. & M., than with two gallons of other paints and the L. & M., Zinc hardens the L. & M., White Lead and makes the L. & M. Paint wear like iron.

Four gallons L. & M., mixed with three gallons Linseed Oil will paint a moderate sized house.

L. & M., Paint costs only \$1.20 per gallon.

A. T. Terrell, Riverhead, N. Y., writes: "16 years ago painted with L. & M. Only now requires repainting." Sold by H. S. Lloyd.

The LaBelle
For Women \$2.50

No other modern design so fully meets all the requirements of the ideal ladies shoe. It is an unequaled combination of style and fit, shapeliness and comfort. The high but rather broad heel, arched instep and slightly manish appearance makes it the swellest sort for the feet.

If you are a victim of faulty shoes, we can soon enable you to walk with ease and comfort, and eventually cure your tender feet. These shoes will wear twice as long as the ordinary "ready made" shoes and have a style and finish that is essentially distinctive.
