Harrisburg, Sept. 25. Reports received here from every county in the state indicate a growing

sentiment in favor of the entire Re publican ticket. These mileage books will also be ac-cepted for passage, subject to their rules and regulations on the following roads: P. & R. Rwy., (Main Line and Branches), N. Y. C. & H. R. R. R., (Main Line and Branches), B. R. & P. Rwy., and C. R. R., of N. J. The B. & S. R. R., will accept for transportation over its line coupons of 1,000 mile books within limit issued by the P. & R. Rwy., N. Y. C. & H. R. R. R., B. R. & P. Rwy., and C. R. R., of N. J., under the same rules and regu-lations as authorized for 1,000 mile books issued by B. & S. R. R. 30-4t. Visitors here during the last few days from the sections visited by Edwin S. Stuart and his colleagues on the Republican ticket in their tour of the state report that Mr. Stuart has been making a very favorable impres-sion with the voters. He is standing squarely upon the party platform, and his words and manner clearly show that he is honest in his pledges to give the people a popular administration, to insist that the corporations shall obey the law, and that they shall not encroach upon the rights of individuals or discriminate against any one, and that they shall be obliged to give a fair return to the state and the people for the franchises which they enjoy.

Mr. Stuart points to his record made as mayor of Philadelphia in the treatment of corporations, where he broke all records by insisting that the street railways should give the city value for the privileges which they enjoy. His stand by the taxpavers in that one fight alone meant the payment of millions by the street railways for the paving of streets, which they would have kept in their treasuries or distributed among their stockholders.

Mr. Stuart is committed to the en actment of legislation making two cents a mile a maximum rate of fare on railroads, and for the creation of a commission which shall have super vision over the railroads of the state For a Square Deal.

In a recent speech Mr. Stuart said: "Much has been said upon the ques tion of corporations, and I desire to say that I have not gone through the state tearing down, upsetting and destroying corporations, because my principle and my ideas are that they should be regulated according to law. Common carriers, railroad companies, all who may receive special privilege must be compelled to exercise those privileges fairly and squarely upon a square deal to every man in every part of the state. There should not be one rate for one man and another rate for somebody else, but they must all be treated as equal. As to the Republican platform, I stand absolute ly and unreservedly upon it and will do everything in my power, and I know that in saying that I also speak for my colleagues, to bring about such legislation that will correct according to law any evils we may have, and correct them solely for the benefit and in the best interests of the people of this state. (Applause.)

Chairman Andrews, of the Republican state committee, has planned to have the gubernatorial candidate and his colleagues speak today, Tuesday, at Lewisburg in the evening; tomor row, Wednesday, they will be in Smethport in the afternoon, and in Bradford in the evening; on Friday they will visit Tionesta, Forest county, in the afternoon and Warren in the evening. Saturday, September 29 will be spent in Titusville in the after noon, and Erie in the evening.

Pain From a Burn Promptly Relieved by Chamberlain's Pain Palm.

A litle child or Michael Strauss, of Vernon, Conn., was recently in great pain from a burn on the hand, and as cold apap plications only increased the inflamation Mr. Strauss came to Mr. James N. What Emery Must Explain. Candidate Emery, of the Lincoln ite Democratic combination, has up to date failed to answer to the charges made against him by Homer L. Cas-tle, Prohibition nominee for governor, or Dr. Silas S. Swallow

Mr. Emery has not explained how his Pure Oil company works in har-mony with the Standard Oil company fn fixing prices. Mr. Emery has not told how Mack.

Durham, McNichol and other politi cians got stock in his company, nor explained what their influence has done to advance the company's interest.

Mr. Emery has not denied his own statements made before the inter-state commerce commission that his company got rebates on freight rates, just as he charges the Standard Oil with getting. Mr. Emery has not answered Robert

S. Murphy, the Republican nominee for lieutenant governor, who wants him to explain how he got so immensely wealthy "fighting" the Standard Oil company.

These and other matters Mr. Emery has yet to explain to the voters in his Taggart tour of the state.

RHEUMATISM BADLY CRIPPLES A BALDWINS-VILLE FARMER URIC-O QUICKLY CURED HIM URIC-O QUICKLY CURED HIM Mr. Frank Howe, a prominent farmer of the Town of Van Buren, says:— "During a siege of the most painful form of Rheumatism, which lasted two years, I did everything that was possi-ble with the aid of money to find re-lief. Ispent several hundred dollars. and seemed to grow worse instead of better each day. Being on crutches and forced to drive to the train and then hobbling to the doctor's office, be-came very discouraging, let alone the sleepless nights and fearful hours of pain. Being advised by a friend to try Uric-O, I purchased a bottle and began its use as directed. In less than 24 hours these fearful sciatic pains left me, my blood seemed to let loose and flow freely, I felt different, and knew at once that I had found a cure, as I slept and rested all that night, some-thing I had not done before in two years. I used in all six bottles of Uric-O, and can truthfully say that I have never felt a return of the disease, and have had no use for crutches or cane since the first day's treatment. I invite all Rheumatics to write me and learn further truth concerning this
