Senator Knox Calls for Action.

It has been the habit of the Emery-Democratic news-papers to praise Senator Knox and to say of him that he has the confidence of President Roosevelt, says Philadelphia Inquirer.

But the trouble with the Emery-Democratic newspapers is that they have had an idea that Senator Knox would not open his mouth during the campaign, thus giving the impression that he was not altogether in sympathy with the cause of the Republican Party in Pennsylvania.

But Senator Knox is a Republican, nevertheless. He is for the whole Republican ticket.

"I believe that Stuart and the whole Republican State ticket will be elected," says Mr. Knox, "and that a strong Republican Congressional delegation will also be chosen." And again: "Mr. Stuart is a popular candidate. The people believe in him."

When Senator Knox pronounces for the whole Republican ticket, as he has done in newspaper interviews and as he will do in speeches yet to be made, he will voice the desire of President Roosevelt even according to the Emery-Democratic organs.

We say to you Republicans of Pennsylvania that the Presidential campaign is on in Pennsylvania, just as it is in New York and in Massachusetts. If you want to defeat Bryanism and Heartism you have got to tackle the issue at once and follow President Roosevelt and Senator Knox.

Vote as Roosevelt votes, vote as Senator Knox votes, and all will be well.

Can you win? You realize that to win in anything these days, requires strength, with mind and body in tune. A man or woman with disordered digestive organs is not in shape for a day's work or a day's work or a day's play. How can they expect to win? Kodol for Dyspepsia contains the digestive juices of a healthy stomach and will put your stomach in shape to perform its important function of supplying the body and brain with strength building blood. Digests what you eat, relieve Indigestion, Dyspepsia, Sour Stomach, Palpitation of the Heart and Constipation. Sold by R. C. Dodson.

A Record That Counts

EDITOR PRESS:—

Since I was elected to the Legislature two years ago, the State has spent in our County for roads and schools the following amount:

West Creek Road,	1,575 feet	$2,926.67
Fourth Street, Emporium	2,528 feet	4,018.50
Amaunts allowed on State lands under special bill I had passed:		
For Roads for 1905		403.24
For Roads for 1906		1,277.56
For Schools for 1905		604.86
For Schools for 1906		1,916.34
Total		$11,547.67

This is money that never came to our county before, and perhaps, never would have come if I had not put forth the special efforts I did.

If the people think this was worth while, and of any special benefit to them, I would respectfully solicit their support for my re-election this fall.

Yours truly,

JOSIAH HOWARD.
