

RESULT OF ELECTIONS.

REPUBLICANS WILL HAVE A LARGE MAJORITY IN THE NEXT CONGRESS.

HUGHES WINS IN NEW YORK.

Ohio, Michigan and Illinois Give Large Republican Majorities — Pennsylvania and Massachusetts Go Republican — Democratic Landslide in Minnesota

THE CONGRESSIONAL SITUATION.

Chicago, Ill.—Returns received up to 1 o'clock Thursday morning show that the republicans have elected 223 congressmen and the democrats 163.

NEW YORK.—With the official vote of but three counties missing, Lewis Stuyvesant Chanler apparently is elected lieutenant governor on the democratic-independence league ticket by a plurality approximating 1,700 votes over Linn Bruce, republican. To arrive at these figures, Bruce's probable pluralities in the counties of Essex, Ontario and Niagara are based on the vote for the republican gubernatorial candidate. Fulton county is also missing, excepting a statement of Bruce's plurality over Chanler. While slight changes may be made in the returns from several counties, it is not believed they will materially reduce Chanler's lead, but may increase it. It appears that all the other candidates on the democratic state ticket are elected by small pluralities.

The republican managers have decided to make applications in the supreme court of the several counties in this vicinity for orders compelling the production in court of all "void and protested" ballots. These will be counted in court.

CHARLES E. HUGHES.

It is expected that Herbert Parsons, chairman of the republican county committee, will have charge of this matter for New York City. In every county where a count of these ballots is deemed necessary, the county chairman will make like application to the supreme court.

Very nearly full returns from all counties of the vote for governor give Hughes 746,334, Hearst 634,722; Hughes' plurality 111,612.

Hughes' plurality outside of Greater New York was 136,338; Hearst's plurality in Greater New York was 74,726.

PHILADELPHIA, Pa.—Complete returns from 61 of the 67 counties in Pennsylvania and careful estimates from the other six counties give Edwin S. Stuart, republican candidate for governor, a plurality of 52,333 over Lewis Emery, the fusion candidate.

Samuel P. Rotan, republican, was elected as district attorney in Philadelphia by 49,000, his friends say, defeating Clarence D. Gibboney, who had the support of the reform forces and the democrats.

The incoming legislature will be strongly republican, although not so overwhelmingly as it was two years ago.

One of the chief issues in the state campaign was the new capitol, which was dedicated on October 4. The fusionists claimed that several million dollars of overcharges and duplications are represented in furnishing and equipping the building. The republican candidates pledged themselves if elected to honestly investigate those charges and to place the responsibility for the alleged extravagance where it rightfully belonged.

BOSTON, Mass.—The republicans after a short but spirited campaign, were victorious in the state election Tuesday, Gov. Guild being re-elected by a considerably increased plurality over last year, while his opponent, District Attorney John B. Moran, of Boston, the candidate of the democratic and prohibition parties and Independence league, received a somewhat larger vote than that given the democratic candidate a year ago.

With two-thirds of the state vote tabulated, Mr. Gull's plurality was estimated late last night at about 37,000.

The republicans re-elected their entire state ticket, although Lieut. Gov. Draper fell considerably behind Gov. Gull. The next legislature will be republican by the usual large majority in both houses, and this will ensure the election of United States Senator Murray Crane, of Dalton, who is at present completing a brief term.

The Massachusetts delegation in congress will remain practically the same, although spirited contests in the Fifth, Sixth, Tenth and Eleventh districts made the results in those sections doubtful at an early stage of the tabulation.

CARMI A. THOMPSON.

COLUMBUS, O.—It is definitely settled by later returns that the Fourth, Ninth and Seventeenth congressional districts have gone democratic.

Chairman Dick last night reiterated his claim of a plurality of 75,000 for Carmi Thompson, republican candidate for secretary of state, although the committee has received complete returns from only 59 out of the 88 counties in the state. Chairman Gardner, of the democratic state committee, does not dispute Dick's figures, but he is claiming the election of five out of the 21 congressmen in the state, the late returns indicating a plurality of 48 for Sherwood, the independent democratic candidate in the Ninth district. Chairman Dick refuses to concede Sherwood's election, saying that with the result so close, it will require the official canvass of the vote to determine it.

Secretary Flickinger, of the governor's office, who came up from Dayton, gives Harding's plurality for congress, over ex-Gov. James E. Campbell, as 1,500. Butler county defeated the ex-governor, as he ran enough ahead of Harding in Montgomery county alone to have elected him.

Cincinnati, O.—According to the returns, Thompson, republican, for secretary of state, carried the state by a plurality of 47,256. Thompson's plurality in Hamilton county is 8,671. All the republicans on the county ticket are elected, except the infirmary director, by pluralities ranging from 581 to 3,502.

Returns indicate that Stanley Matthews, democratic candidate for circuit judge, ran ahead of the rest of the democratic ticket and that he is elected by a plurality of about 75. The circuit comprises Hamilton, Butler, Warren, Clermont and Clinton counties.

Cleveland, O.—Cuyahoga county has gone democratic, except for Herman Baehr (rep.), who has been elected county recorder. Returns indicate that every other democrat has been elected by pluralities probably running from 3,000 to 6,000.

EDMUND A. JONES.

McGorray, for sheriff, is leading the democratic ticket, with Addams, for insolvency judge, a close second.

DETROIT, Mich.—Gov. Warner and the entire republican state ticket have been elected by 60,000 to 100,000 majority, the republican congressional candidates in each of the 12 Michigan districts have been elected, and the republicans will have a large majority in the state legislature, with a possibility of its entire membership.

CHICAGO, Ill.—Illinois went republican by over 100,000; the vote for Smulski, state treasurer, footing about 120,000. Chicago gave the state ticket

a plurality of over 50,000. The republicans lost three congressional districts in Chicago and two more down state, making a gain of five for the democrats and giving them six instead of one in the Illinois congressional delegation.

Danville, Ill.—Official returns from all the counties in the Eighteenth district give Joseph Cannon, speaker of the national house of representatives, a plurality of 10,083. This is 2,000 larger than his plurality four years ago.

ST. PAUL, Minn.—Gov. John Johnson, democrat, has been re-elected governor of Minnesota by at least 40,000 plurality. The remainder of the state ticket is republican with the possible exception of secretary of state.

Minnesota will not send a solid republican delegation to congress this year, as has been the case for a decade. James T. McCleary, representative from the Second congressional district, and member of the ways and means committee of the house, has been defeated by his democratic opponent, Winfield S. Hammond.

DES MOINES, Ia.—Complete returns from Iowa show 196,822 votes for Gov. Cummins to 174,366 for Porter, dem., giving Cummins a plurality of 22,456 for governor.

TOPEKA, Kan.—Chairman Crummer, of the republican state committee, declared last evening that there was absolutely no question of Hoch's re-election for governor by at least 2,500 majority. "We have returns from 93 of the 105 counties in Kansas," he said, "and the information is almost as correct as official. There is no chance for Hoch's defeat."

Topeka, Kan.—Although there are still five Kansas counties not heard from, it is generally believed that Hoch, rep., for governor, has been elected by between 3,500 and 4,000 plurality over Harris.

ST. LOUIS, Mo.—From nearly complete returns from all counties, the democrats have carried the state by a plurality of 7,640, electing all candidates on the state ticket and 12 of the 16 congressmen. The republicans elected congressmen in Kansas City and St. Louis, but lost all the districts in the state which had been swept into the republican ranks two years ago.

WHEELING, W. Va.—The complete turns from the different counties in West Virginia increase the size of the republican victory. The congressional majorities are approximately as follows:

First district—Hubbard, rep., 4,000.
Second district—Sturgis, rep., 2,800.
Third district—Gaines, rep., 3,500.
Fourth district—Woodyard, rep., 2,900.
Fifth district—Hughes, rep., 4,850.

Total republican majority for the state ticket is about 18,000. The legislature is republican by more than the majority in 1904, when it was 57 on joint ballot.

NEW HAVEN, Conn.—With but a single town missing, Woodruff, the republican candidate for governor, has a plurality of 20,709 votes over Thayer, democrat.

INDIANAPOLIS, Ind.—According to the latest returns received throughout the state, Indiana went about 30,000 republican. The democrats gained two congressmen. The latest returns show that the republicans elected nine congressmen and the democrats four. The legislature will be republican on joint ballot by about 30.

BOISE, Idaho.—Gov. Gooding is re-elected by a plurality of from 7,000 to 9,000. The legislature will contain 48 republicans and 24 democrats. This insures the election of William Borah as United States senator to succeed Senator Dubois.

FARGO, N. D.—"We concede the defeat of Gov. Sarles by Mr. Burke, his democratic opponent, by a probable plurality of 2,000," said Chairman Hanna, of the republican state central committee, last evening. "We also concede the defeat of John K. Nauff, our candidate for judge of the supreme court, by Judge Fisk on the democratic ticket by 6,000. We are confident that the rest of the republican ticket has been elected."

DENVER, Col.—Returns show the election of the entire republican state, congressional and judicial tickets and a republican majority of 30 or more on joint ballot in the next legislature, which will elect a senator to succeed Thomas M. Patterson. Simon Guggenheim is the only avowed republican candidate for the senatorship and he has the support of the party leaders.

LOUISVILLE, Ky.—With only a few mountain counties to hear from, and these probably increasing his lead, Gov. Beckham has won his fight against Senator McCreary for the nomination for the United States senatorship in the democratic primaries. Samuel W. Hager was nominated for governor in the same primary by a majority of about 15,000. The complexion of Kentucky's representation in congress shows some change, the republicans gaining two congressmen, giving them a total of four.

CHEYENNE, Wyo.—Majorities for Congressman Mondell and all republican state candidates are from 5,000 to 6,000. Gov. Brooks is running ahead

of the ticket. The democrats will not have more than five members in the legislature.

SAN JUAN, P. R.—The unionist party scored an overwhelming victory at the polls Tuesday, carrying all the seven districts of the island. The republicans are left without representation in the next house of delegates. In the last election the unionists carried five districts and the republicans two. The unionists won in a majority of the municipalities.

HONOLULU, Hawaii.—It is probable that the republicans will contest the result in Honolulu. The island of Hawaii went democratic, except for delegate to congress, Kalaniana'ole, republican, receiving a majority.

SALT LAKE, Utah.—The republicans in Utah have elected their state ticket by the usual plurality, returning Joseph Howell to congress and electing Joseph E. Frick justice of the supreme court.

In Salt Lake county, where the American or anti-Mormon party centered its efforts, the result is in doubt. The Americans have a plurality of the votes in Salt Lake City, but this may be overcome by the republicans in the country outside of the city. The democratic vote in Salt Lake city shows a falling off of probably 30 per cent.

SAN FRANCISCO, Cal.—At 9 o'clock last night George Stone, chairman of the republican state central committee, said: "Reports from the state are coming in slowly. There is no doubt as to the result, it is only a question of plurality. Gillette has carried San Francisco by a plurality of 500 to 1,000 and the entire republican state ticket, including eight congressmen, has been elected by a plurality exceeding 25,000."

RALEIGH, N. C.—In North Carolina the vote was light, but estimated to be democratic by about 30,000. The Eighth district is doubtful, with two counties showing democratic gains of 450 over two years ago. The Tenth district is close, with the democrats slightly in the lead.

AUSTIN, Tex.—The total vote cast in Tuesday's election was small, not exceeding 400,000 votes all told, some 135,000 of which represent the combined vote of the republican, the reorganized republican, socialist, socialist labor and prohibition parties. The next legislature will be democratic overwhelmingly.

RENO, Nev.—Bartlett, democratic candidate for congress, is leading Smith by a safe majority. Returns from the state indicate a complete victory for the democratic silver party candidates.

ALBUQUERQUE, N. M.—Partial returns from seven counties out of 25 in New Mexico give joint statehood a majority of 2,000. Reports so far received indicate that the territory will go for jointure by from 4,000 to 7,000. Reports indicate the election of Andrews, rep., delegate to congress.

SIoux Falls, S. D.—Reports from the state are meager, owing to the scratching of county tickets. Incomplete returns indicate the election of the republican congressmen and the republican state ticket by not less than 35,000.

GUTHRIE, Okla.—The constitution of the new state of Oklahoma will be written by democrats. Vernon H. Whiting, secretary of the Oklahoma republican central committee, concedes the democrats 43 delegates, while Chairman Dunn, of the democratic committee, says there will be at least 78 democratic delegates on the floor of the convention. Republican managers admit that Oklahoma proved a great disappointment.

JACKSONVILLE, Fla.—All the democratic candidates in Florida are elected.

MILWAUKEE, Wis.—Returns from the Third district indicate the election of James W. Murphy, dem., over Congressman Joseph W. Pabcock, rep., by a plurality of 200.

WILMINGTON, Del.—The republicans have carried Delaware and elected Burton for congress, over Marvel, democrat. They will also control the Delaware legislature.

PROVIDENCE, R. I.—Late returns indicate the election of Higgins, democrat, for governor.

Chicago, Ill.—The people at the prohibition national headquarters in this city are congratulating themselves upon the excellent showing which they claim the prohibitionists made in the different states Tuesday. A large number of dispatches have been received and Charles R. Jones, the chairman of the national prohibition committee, said that the total vote of the party in the different states will exceed 325,000, whereas the total for Swallow for president in 1904 was 257,419.

One thousand coopers are on strike in Chicago, asking for a wage increase of three cents per barrel.

By a fire in a tenement house in Jersey City Mrs. James Ryan and John McGuire received injuries that probably will result in death.

As Englishmen View the Election. London, Eng.—All the morning newspapers publish editorial articles on the result of the election in New York. With scarcely an exception they comment on the close vote as an indication of the popular discontent with enormous combinations of capital. The Daily Telegraph thinks the moral is that Americans, while "not quite ready to accept 'Heartism' in full," are "heartily sick of being robbed by trusts and corporations." The Mail considers the result as an evidence of "growing exasperation against trusts and their tactics."

A Murder and Robbery.
Stafford Springs, Conn.—Mrs. Henry Williams, about 50 years old, was found murdered in her home near here Thursday afternoon. Robbery apparently was the motive, and the murderer is believed to be a tramp. The body of Mrs. Williams was found lying near a stove on the floor of the kitchen, with the throat cut, head battered and a towel twisted around her neck. Near the body lay a knife and a club. Following the murder the man made a search for money, for the house was ransacked and about \$100 in money taken.

Preacher Hinshaw Is Rearrested.
Indianapolis, Ind.—William E. Hinshaw, a Methodist minister convicted and sentenced to prison for wife murder in 1895 and paroled conditionally in 1905, was arrested Thursday near Winchester on orders issued by Gov. Hanly and was brought to the governor's office to show cause why he should not be returned to prison. The complaint was made to the governor by George R. Freeman, sheriff-elect of Wabash county, that Hinshaw and Freeman's wife have been guilty of improper conduct since Hinshaw's release from prison.

A Former "Barley King" Dies.
Winona, Minn.—A private telegram announces the death at Cedar Rapids, Ia., of H. J. O'Neill, aged 59 years, known as the "Barley King" from 1890 to 1898, during which time he was at the head of the O'Neill Grain Co., which had offices in Chicago and in Winona. The concern during these years controlled the barley market and had under its direction the largest string of grain elevators in the world. At one time O'Neill was reputed to have been worth several million dollars. Family troubles cost him almost his entire fortune.
