The Swiss Fourth of July.
Aug. 1 is the Swiss Fourth of July, the national fete day. A traveler tells how he helped to celebrate it one year at one of the climbing centers in the Valais by eating the sumptuous dinner provided by the hotel without extra charge, applauding the fireworks display and a bonfire lighted high on the mountain side and shouting "Hourra!" at the end of a patriotic speech extolling the ancient military glories and present republican democracy of Switzerland. Next morning came the strange sequel. The orator of the occasion, the most distinguished native visitor in the place, was appealed to as one who would certainly know the name of the Swiss president, but even he could not remember it. Nobody ever can. The name of that unassuming functionary is always less familiar in Switzerland than that of the lieutenant governor in Illinois. He is merely the democracy's temporary official.

Jail Born Books.
Bunyan's "Pilgrim's Progress" is the most famous and of its class incomparably the best English book ever written in prison. Bunyan was a prisoner in Bedford jail from 1660 to 1672 and in addition to his immortal allegory wrote "Grace Abounding" and "The Holy City" during those twelve years. Raleigh, who was a prisoner in the tower, 1603-14, occupied seven years of his captivity in writing his "History of the World." "The King's Quair," a long and romantic love poem, was written by James I. of Scotland when in prison at Windsor castle in 1423. Smollett, during his three months' detention in the King's Bench prison for libel, wrote "The Adventures of Sir Launcelot Graves," and during a similar experience at Newgate in 1703 Defoe wrote a "Collection of Casualties and Disasters."

Tortured Day and Night

Rheumatism Crazes the Mind

URIC-O, An Internal Treatment for the Blood—It is Widely Recommended as a Cure.

Every sufferer from Rheumatism is familiar with the sleepless nights, and nerve binding, muscle twisting pains which they have to endure. Vapor baths have been used, Mt. Clemens has been visited, and hundreds of dollars spent in search of relief. There is but little use of other experiments, as relief and a permanent cure for all forms of Rheumatism can only be found in Smith's Specific Uric-O. It matters little how long one has suffered from the trouble, or how intense the suffering, Uric-O will cure you. It cures by its direct action upon the blood; muscles, and kidneys, neutralizing poisonous uric and rheumatic acids. Druggists and Physicians everywhere are recommending Uric-O, because they know that at last there has been a remedy prepared which actually cures the disease. Uric-O is manufactured by the Smith Drug Company, Syracuse, N. Y. Is supplied to users in large size bottles, which sell for \$1.00. Your Druggist can supply you with the remedy, or you can order direct. Samples and circulars will be forwarded free to all who apply. Use Uric-O for Rheumatism only. It may possibly save your life. Uric-O is sold in Emporium by L. Taggart. 32ly.

The LaBelle
For Women \$2.50

No other modern design so fully meets all the requirements of the ideal ladies shoe. It is an unequaled combination of style and fit, shapeliness and comfort. The high but rather broad heel, arched instep and slightly manish appearance makes it the swellest sort for the feet.

If you are a victim of faulty shoes, we can soon enable you to walk with ease and comfort, and eventually cure your tender feet. These shoes will wear twice as long as the ordinary "ready made" shoes and have a style and finish that is essentially distinctive.

CHARLES DIEHL,

The Up-to-Date Store.

In Time of Peace.
In the first months of the Russia-Japan war we had a striking example of the necessity for preparation and the early advantage of those who, so to speak, "have shingled their roofs in dry weather." The virtue of preparation has made history and gives to our greatest men. The individual as well as the nation should be prepared for any emergency. Are you prepared to successfully combat the first cold you take? A cold can be cured much more quickly when treated as soon as it has been contracted and before it has become settled in the system. Chamberlain's Cough Remedy is famous for its cures of colds and it should be kept at hand ready for instant use. For sale by L. Taggart, J. E. Smith, Sterling Run, Crum Bros., Sinnamahoning
