An Open Letter From Mr. Nason.

To the theatre loving public:—For the last seven years Mr. Hall has been appearing among you annually in comedy-drama—such pieces as "The American Girl," "An American Hustler" and "A Ragged Hero." But during the last seven years the tastes of the public have changed and the one demand on all sides has been for musical comedy.

To this end I have secured Mr. Hall for a term of years and am launching him, the season of 1906-7 in a musical comedy which I have had written to fit his personality, entitled "Hello Bill."

It will be a musical production throughout, bubbling over with good comedy, catchy music and pretty girls. Special attention will be made to the costuming. The chorus making no less than eight changes during the action of the piece.

For several years back Mr. Hall has been continually plied with the question: "Why don't you bring a musical show with a chorus?" etc.

In answer to that question I invite you to call and see Mr. Hall in the big musical comedy, "Hello Bill," surrounded by a company of clever comedians and singers and dancers, and assisted by a bevy of pretty girls.

Sincerely,
FRANK W. NASON, Sole Manager.

King of all Cough Medicines.

E. G. Case, a mail carrier of Canton Center, Conn., who has been in the U. S. Service for about sixteen years says: "We have tried many cough medicines for croup, but Chamberlain's Cough Remedy is king of all and one to be relied upon every time. We also find it the best remedy for coughs and colds, giving certain results and leaving no bad after effects. For sale by L. Taggart, J. E. Smith, Sterling Run; Crum Bros., Sinaamahoning."

For chapped and cracked hands nothing is quite as good as an application of DeWitt's Witch Hazel Salve. Put it on before going to bed, use an old pair of gloves and see what a difference the morning will bring. Sold by R. C. Dodson.

It is a mistake to use a violent cathartic to open the bowels. A gentle movement will accomplish the same results without causing distress or serious consequences later. DeWitt's Little Early Risers are recommended. Sold by R. C. Dodson.

E. C. DeWitt & Co., of Chicago, at whose laboratory Kodol is prepared, assure us that this remarkable digestant and corrective for the stomach conforms fully to all provisions of the National Pure Food and Drug Law. The Kodol laboratory is a very large one, but if all the sufferers from indigestion and stomach troubles could know the virtues of Kodol it would be impossible for the manufacturers to keep up with the demand. Kodol is sold here by R. C. Dodson.

RHEUMATISM CANNOT BE CURED UNLESS URIC-O IS USED

Sudden Deaths, Heart Failure and Paralysis Are Caused by Poisonous Uric and Rheumatic Acids.

The disease whose cause is shrouded in mystery, the affliction that is said to be incurable, is commonly known as paralysis. Show us a person suffering with this disease, and you will find that at some time previous to the attack, the patient suffered from some form of Rheumatism. This dangerous disease should not be neglected, especially where there is a cure within such easy reach. We refer to Smith's Specific Uric-O, a harmless compound, free from alcohol and poison, and made to cure Rheumatism only. Uric-O acts with marvelous swiftness on the blood, muscles and kidneys, and cannot fail to remove all traces of poisonous Uric and Rheumatic acid from the system. Uric-O is not a cathartic, does not affect or distress the stomach, and is the only known liquid preparation that will relieve and permanently cure Rheumatism in its most distressing forms. We want all Rheumatic sufferers to test the merits of Uric-O, therefore by addressing the SMITH DRUG COMPANY, SYRACUSE, N. Y., a liberal size sample and circular will be sent free. Uric-O is sold by Druggists at \$1.00 per bottle, or will be sent direct upon receipt of price.

Uric-O is sold in Emporium by L. Taggart. 32ly.
