Dangers of a Cold and How to Avoid Them

More fatalities have their origin in or wesult from a cold than from any other cause. This fact alone should make peowhether a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lnngs, opens the secre-tions and aids nature in restoring the system to a healty condition. Sold by L. Taggart; J. E. Smith, Sterling Run; Crum Bros., Sinnamahoning.

who have been stationed at Huntley for some time have moved to Sterling Run, where he will be stationed hereafter.

Wesley Barr was a Driftwood caller Monday. The new single track manual lock and

block system went into effect Monday, Jan. 7th, between Huntley and Cameron. Everything worked to perfection with no delay to trains. This system in an entirely new arrangement in the movement of traffic and will be watched by all people who are interested in railroad matters. Great credit is due to Chief signal inspector, C. C. Anthony, and Signal Foreman Whitton for their successful inauguration of this system, and also to Electrician D. E. Spangler and Signalmen J. H. Beck, Market, Johnson and Klingk for the active part they took in the matter. Wise railroad men predict that J. H. Beck is one of the coming lights in the transportation department of the service.

Signal repairman W. R. Smith is having a telephone put into his residence on River Terrace by the R. R. R. Co. This arrangement enables him to be on hand promptly in case of trouble. The many friends of Geo. Starr will be

RHEUMATISM

FROM POISONOUS

The Sinnamahoning Liars Club reorganized after two years silence, with a new board of officers. All members of the old club are debarred-they have a right to visit, but no vote. Mont Peasley holds down the principal chair the first six months. B. A. Barclay reports that his men, while cutting logs treed a large bear in a hollow tree stump. He sent a man two miles after a gun while the rest commenced to chop the stump down, which was nearly four feet in diameter. The stub fell and smashed to pieces, when out jumped a little black squirrel and got away from the entire party. The whole bunch were fined six cents and stand suspended until the fine is paid Other members of the club told whop pers. Since the hunting season close of the heart, paralysis and poisonous Rheumatic acid are among the most dangerous forms of the disease. If Rheumatic acid poison is allowed to stay in the system, sudden death can scarcely be averted. There is but one cure for Rheumatism, and that is Smith's Specific Uric-O. No other Rheumatic remedy can possibly do as much for the disease. Uric-O is a posi-tive cure for Lumbago, Muscular and Articular Rheumatism. It will cure Sciatics and Rheumatic Kidney trouble in the most pleasing manner. Uric-O deer and bear is the whole topic which will be strung out until fishing seasor opens. Pap Blodgett and Batchelder don't like the new organization as they stand no show-the young bloods hav ing skinned them for keeps.

EX-MEMBER. Mix This at Home.

The following simple home-made mixture is said to readily relieve and overcome any form of Rheumatism by forcing the Kidneys to filter from the blood and system all the uric acid and poisonuous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases Try it, as it doesn't cost much to make, and is said to be absolutely harmless to the stomach.

Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle, and take a teaspoonful after each meal and again at bedtime.

This simple mixture is said to give prompt relief, and there are very few cases of Rheumatism and Kidney trouble it will fail to cure permanently.
