Dangers of a Cold and How to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's Cough Remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by L. Taggart, J. E. Smith, Sterling Run; Crum Bros., Sinnamonahoning.

When the cold winds dry and crack the skin a box of salve can save much discomfort. In buying salve look for the name on the box to avoid any imitations, and be sure you get the original DeWitt's Witch Hazel Salve. Sold by R. C. Dodson.

Clear up the complexion; cleanse the liver and tone the system. You can best do this by a dose or two of DeWitt's Little Early Risers. Safe, reliable little pills with a reputation. The pills that everyone knows. Recommended by L. Taggart.

"They like the taste as well as maple sugar" is what one mother wrote of Kennedy's Laxative Cough Syrup. This modern cough syrup is absolutely free from any opiates or narcotics. Contains Honey Tar. Conforms to the National Pure Food and Drug Law. Sold by R. C. Dodson.

Mothers who give their children Kennedy's Laxative Cough Syrup invariably endorse it. Children like it because the taste is so pleasant. Contains Honey and Tar. It is the Original Laxative Cough Syrup and is unrivaled for the relief of croup. Drives the cold out through the bowels. Conforms to the National Pure Food and Drug Law. Sold by R. C. Dodson.

Nearly every person who is subject to attacks from the stomach suffers from a morbid dread of a dietetic treatment for relief, that is three-fourths starvation, and one-fourth toast and milk. On the other hand you can eat as you please and digest the food by the aid of a good digestant, thus giving the tired stomach equally as much rest. Eat what you please and take a little Kodol for indigestion after your meals. It digests what you eat. Sold by R. C. Dodson.

Williams' Kidney Pills.
Have you neglected your kidneys? Have you overworked your nervous system and caused trouble with your kidneys and bladder? Have you pains in the loins, side, back, groins and bladder? Have you a flabby appearance of the face, especially under the eyes? Too frequent desire to pass urine? If so Williams' Kidney Pills will cure you. Sample free. By mail 50 cents. Sold by R. C. Dodson. Williams Mfg. Co., Prop's, Cleveland, O. 9-ly.

For any disease of the skin we can recommend Chamberlain's Salve. It relieves the itching and burning sensation instantly and soon effects a cure. This salve is also invaluable for sore nipples. L. Taggart, J. E. Smith, Sterling Run; Crum Bros., Sinnamonahoning.

Cut this out and take it to L. Taggart's drug store and get a free sample of Chamberlain's Stomach and Liver Tablets. These tablets are far superior to pills, being easier to take and more pleasant in effect. They correct disorders of the stomach, liver and bowels. Sold by L. Taggart, J. E. Smith, Sterling Run; Crum Bros., Sinnamonahoning.

Food don't digest? Because the stomach lacks some of essential digestants or the digestive juices are not properly balanced. Then, too, it is this undigested food that causes sourness and painful indigestion. Kodol for indigestion should be used for relief. Kodol is a solution of vegetable acids. It digests what you eat, and corrects the deficiencies of the digestion. Kodol conforms to the National Pure Food and Drug Law. Sold here by R. C. Dodson.

BELL BLUE.

Deafness Cannot be Cured.

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

This is Worth Saving.

The following simple home-made mixture is said to relieve any form of Rheumatism or backache, also cleanse and strengthen the Kidneys and Bladder, overcoming all urinary disorders, if taken before the stage of Bright's disease: Fluid Extract Dandelion, one half ounce; Compound Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after meals and at bedtime.

A well-know authority states that these ingredients are mainly of vegetable extraction, and harmless to use, and can be obtained at small cost from any good prescription pharmacy. Those who think they have kidney trouble or suffer with lame back or weak bladder or Rheumatism, should give this prescription a trial, as no harm can possibly follow its use and is said to do wonders for some people.

The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of the grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case has ever been reported that has resulted in pneumonia or that has not recovered. For sale by L. Taggart, J. E.
