Gave Up Waiting.

A young man who was anxious to secure a job as a railroad brakeman wandered into one of the local yards the other day and came across a bunch of railroad men who were sitting in a shanty. He made known his ambition, and one of the men, who is quite a joker, asked him a few foolish questions. The youth answered them and then asked:

"How long before I'll get a job?"
"Sit down and wait," said the joker. "There's ten or fifteen brakemen killed here every day and you can't tell how soon we will need you."

The young man's ambition seemed to fade and he remembered that he had an engagement elsewhere.—Albany Journal.

Expresses Her Opinion.

Ernest Lamson tells of a Colorado woman who presented herself one day at the registration booth of a town in that state for the purpose of qualifying to vote upon the school questions at the next election.

"With what political party do you affiliate?" asked the clerk. The lady blushed and otherwise exhibited confusion of manner.

"Is it obligatory that I answer that question?" she inquired.
"Certainly, madam. The law requires it."

"Then," said the woman. "I don't think I care to vote if I must mention the party's name. However, I don't mind saying that he is one of the nicest men I've ever met."

Mix This at Home.

The following simple home-made mixture is said to readily relieve and overcome any form of Rheumatism by forcing the Kidneys to filter from the blood and system all the uric acid and poisonous waste matter, relieving at once such symptoms as backache, weak kidneys and bladder and blood diseases.

Try it, as it doesn't cost much to make, and is said to be absolutely harmless to the stomach.

Get the following harmless ingredients from any good pharmacy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle, and take a teaspoonful after each meal and again at bedtime.

This simple mixture is said to give prompt relief, and there are very few cases of Rheumatism and Kidney trouble it will fail to cure permanently.

There are all harmless, every-day drugs, and your druggist should keep them in the prescription department; if not, have him order them from the wholesale drug houses for you, rather than fail to use this, if you are afflicted.

RHEUMATISM

BADLY CRIPPLES A BALDWINVILLE FARMER

URIC-O QUICKLY CURED HIM

Mr. Frank Howe, a prominent farmer of the Town of Van Buren, says:—"During a siege of the most painful form of Rheumatism, which lasted two years, I did everything that was possible with the aid of money to find relief. I spent several hundred dollars, and seemed to grow worse instead of better each day. Being on crutches and forced to drive to the train and then hobbling to the doctor's office, became very discouraging, let alone the sleepless nights and fearful hours of pain. Being advised by a friend to try Uric-O, I purchased a bottle and began its use as directed. In less than 24 hours these fearful sciatic pains left me, my blood seemed to let loose and flow freely, I felt different, and knew at once that I had found a cure, as I slept and rested all that night, something I had not done before in two years. I used in all six bottles of Uric-O, and can truthfully say that I have never felt a return of the disease, and have had no use for crutches or cane since the first day's treatment. I invite all Rheumatics to write me and learn further truth concerning this wonderful remedy."

[Signed] FRANK HOWE.

What Our Reporter saw in New York

A recent visit to one of the largest paint factories in the world disclosed machinery that was producing 10,000 gallons of Paint, and doing it better and in less time than 100 gallons could be made by hand mixing.

This was the celebrated L. & M. Paint. The L. & M. Zinc hardens L. & M. White Lead and makes L. & M. Paint wear like iron for 10 or 15 years.

4 gallons L. & M., mixed with 3 gallons Linseed Oil makes 7 gallons of paint at a cost of less than \$1.20 per gallon.

If any defect exists in L. & M. Paint, will repaint house for nothing.
