Reading Under Water. An electric arc lamp, capable of efficiently supplying the needs of underwater illumination for ship salvage and other similar work, as well as for operations in explosive atmospheres, has been tried in the harbor of Aberdeen in connection with repairs effected on the dock gates there, without taking them out of position. It was found that a thorough examination of the dock gates could be made by the aid of the lamp, and in order to demonstrate its power one of the divers returned for a newspaper, and after descending to the bottom of the dock, a depth of twenty feet, read a portion of it through the telephone to those on the surface.

Obeys Major's Orders. Major General Frederick D. Grant tells a story of his friend, Major Green:

"Major Green said to his servant one morning: 'James, I have left my mess boots out. I want them soled.' 'Yes, sir,' the servant answered. 'The major, dressing for dinner that night, said again: 'I suppose, James, that you did as I told you about those boots?' 'James laid 35 cents on the bureau. 'Yes, sir,' said he, 'and this is all I could get for them, though the corporal who bought 'em said he'd have given half a dollar if pay day hadn't been so far off.'—Cleveland Plaindealer.

THE HEART CAN'T STAND RHEUMATIC ACID POISONING

To Free and Correct the Blood a URIC-O Treatment Is Advised

There is great danger in those sharp, shooting pains throughout the body, especially around the region of the heart. It means that poisonous uric and rheumatic acids are there ready to grip tightly the muscles controlling this organ. Don't neglect these warnings, for they are the danger signals nature flashes to you for help. There is but one way to overcome this poisonous foe, and that is a thorough treatment with Smith's Specific Uric-O. Uric-O is a harmless liquid internal remedy, taken in small doses three times a day, and does not contain a drop of alcohol, opium, or other dangerous poisons. Uric-O is simply a cure for Sciatica, Muscular, Inflammatory and Articular Rheumatism. They all yield readily to Uric-O treatment. Your Druggist sells Uric-O at \$1.00 per bottle. PHYSICIANS DISAGREE.

Different Opinions on Cooper's Remarkable Success Held by Cincinnati Medical Men.

CINCINNATI, O., Feb. 13.—The astonishing sale of Cooper's preparations in the city has now reached such immense figures that the medical fraternity at large have become forced into open discussion of the man and his preparations.

The physicians as a whole seem to be divided with regard to the young man's success in Cincinnati—some being willing to credit him for what he has accomplished, while others assert that the interest he has aroused is but a passing fad which cannot last, and which will die out as quickly as it has sprung up.

The opinion of these two factions is very well voiced in the statements made recently by two of a number of physicians who were interviewed on the subject.

Dr. J. E. Carass, when questioned about the matter said: "I have not been a believer in proprietary preparations heretofore nor can I say that I believe in them at present. But I must admit that some of the facts recently brought to my notice concerning this man Cooper have gone far towards removing the prejudice I had formed against him when the unheard of demand for the preparations first sprang up in this city. Numbers of my patients whom I have treated for chronic liver, kidney and stomach troubles have met me after taking Cooper's remedy and have stated positively that he has accomplished wonderful results for them. I notice particularly in cases of stomach trouble that the man has relieved several
