LOCAL DEPARTMENT.

PERSONAL GOSSIP.

Contributions invited. That which you would like to see in this department, let us know by post card or letter, personally.

Martin Epley and family of Sinnamahoning are visiting Albert Murray and family, at this place.

Mrs. E. S. Coppersmith returned Saturday from the city, where she has purchased her millinery goods.

Thos. Gallagher, who has been having a severe time with the grip, is able to be about again, but not as spry as he used to be.

Frederick Jaeger, son of our townsman Henry Jaeger, left on Monday for Colorado, where he hopes the change of climate will benefit his health.

Mrs. Henry Anchu visited at Buffalo last Friday and returned home on Sunday, after visiting Mrs. Rose Lupold, at Olean, Saturday night and Sunday.

Powell Barr and Arch Barr, of Huston Hill visited in town on Tuesday. The latter gentleman called to see the Press as has been his custom for many years.

Augustus Nelson, one of our prompt, paying subscribers and best citizens was a Press caller on Monday. Of course he squared with the printer as he always does promptly.

Wm. Hackenberg was a Press business and social visitor on Tuesday and before leaving renewed his paper for another year. Mr. Hackenberg is troubled with rheumatism considerably this winter.

Mr. W. H. Reber, of Butte, Montana, visited in Emporium last Thursday, guest of his uncle, Mr. Michael Murphy and family. The pleasant gentleman, who is Supt. of the Butte electric light system, was pleased with our mountain city and will return in the near future and make a longer stay.

Our townsman, Mr. Michael Murphy, is delighted to learn that his brother Mr. John Murphy, Supt. of Allegany County Traction R'ys, who has been in poor health for over a year, has regained his health and resumed his work. The Press as well as Mr. Murphy's Emporium friends congratulate him upon his recovery.

Our old friend Michael Murphy, proprietor of Commercial Hotel, dropped in on Monday for a social chat and, as he is always sure to do, promptly renewed his subscription to the Press. Mr. M. keeps a good home-like hotel, treats and feeds his patrons well. Mr. Murphy is closely identified with Emporium and is always on the watch for every opportunity to advance our interests. Would that we had many more like him—honest, unselfish and public spirited.

Among the well known and popular visitors to Miami at this season are Miss Julia Schriever, of Kane, Pa., and Mrs. James Healy, of Ocean Port, Pa. They arrived in the city this week and are comfortably domiciled at the Fort Dallas Hotel, where they will remain until Friday when they will take passage on the steamer for Havana. After a short sojourn in the Cuban capital they will go to Kingston, Jamaica, for a brief stay. Both Miss Schriever and Mrs. Healy are delighted with the balmy climate of the Magic City and the many attractions to be found here, and promise to return for many seasons to come.—Miami, Fla., Star.

M. K. Mickey and wife returned on Tuesday from a business trip down east, the first named attending a business meeting in New York city, while his wife was visiting her parents at Philadelphia.

SHORT TALKS BY L. T. COOPER, THE STOMACH.

My but peoples' stomachs do cause a lot of trouble. I offered to wager some doctor in St. Paul, Minn., that one half of all sickness is caused by the stomach. After I assured them that my medicine did nothing but put the stomach in shape and they had spent a day listening to what people who called on me had to say, they had to agree with me. They heard people come in and tell me that for years they had been near the grave with Bright's disease, or lung trouble, or kidney complaint and all manner of diseases and that the New Discovery had cured them. Of course these people were mistaken, it was nothing but their stomachs. As a matter of fact when the stomach gives out most everything else is thrown out of order too.

C. H. POWELL.

When a person feels tired and dull and despondent, is loosing flesh and don't sleep well, has a poor memory, a bad taste in the mouth, a coated tongue, and other troubles he's liable to believe a lot of things are the matter with him. Nine chances to one it's his stomach. I've seen Cooper's New Discovery bring back health to too many people in just this shape to believe anything else. Here's a letter about it:

"I suffered for a long time without knowing just what was the matter with me. I seldom felt like eating. I lost greatly in weight. My digestion was extremely poor and when I did eat I invariably suffered afterward. I was constipated and frequently suffered from nerve racking, violent headaches. When I heard of what the Cooper remedies were doing for others I resolved to try them. "Relief came with the first bottle. My appetite and digestion improved rapidly. I am no longer constipated nor do I have those dreadful headaches. I sleep well and am gaining flesh." C. H. Powell, 13 Harrison Addition, Duluth, Minn.

We are selling immense quantities of these medicines and our customers express great satisfaction.
