

DOES YOUR BACK ACHE? Cure the Kidneys and the Pain Will Never Return.

Only one sure way to cure an aching back. Cure the cause, the kidneys. Thousands tell of cures made by Doan's Kidney Pills. John C. Coleman, a prominent merchant of Swainsboro, Ga., says: "For several years my kidneys were affected, and my back ached day and night. I was languid, nervous and lame in the morning. Doan's Kidney Pills helped me right away, and the great relief that followed has been permanent."

Never Overlooked a Chance. When Bishop Talbot, now of the central Pennsylvania diocese, was "the cowboy bishop" of Idaho and Wyoming he never overlooked an opportunity of securing contributions for the missionary work in which he took such delight. On one occasion, while attending a meeting of church dignitaries in St. Paul, he was chatting with some other clergymen on the steps of his hotel when several hoboes came along. One of them approached and asked for aid. Bishop Talbot took him aside and after a short but earnest conversation the other tramps saw something pass from hand to hand.

Energetic Claridon Women.

That the women of East Claridon have fallen heir to the masculine energy which built the houses and farms around this neighborhood is shown by the fact that when you meet a team the women nearly always are driving. In this the women excel, and it is only an occasional farmer's team which does not seem to be in possession of some woman.—Chicago Tribune.

SEE THE SOUTHWEST

One great advantage the Southwest has is its equable climate. Here farmwork goes on practically the year round and there is rarely ever a need of providing shelter for stock. The growing season is longer and another crop is frequently grown on the same land after the first has been harvested.

Go Southwest Now. On March 19th, April 2nd and 16th you can see the Southwest very cheaply. Tickets are good 30 days and permit stop-overs. One very desirable feature of the trip via the M. K. & T. Ry. is the diverse route through Oklahoma—you can go through Indian Territory and return through Oklahoma City, or vice versa.

Why not investigate the possibilities of this wonderful land? Take a trip in the next excursion and see for yourself. Write me today for full information, and ask for a copy of "The Coming Country."
