Saved Her Son's Life.

The happiest mother in the little town of Ava, Mo., is Mrs. S. Rupeo. She writes: "One year ago my son was down with some serious lung trouble that our physician was unable to help him; when by our druggist's advice I began giving him Dr. King's New Discovery, and I soon noticed improvement. I kept this treatment up for a few weeks when he was perfectly well. He has worked steadily since at carpenter work. Dr. King's New Discovery saved his life." Guaranteed best cough and cold cure by all druggists. 50c and \$1.00. Trial bottles free.

"In 1897 I had a stomach disease. Some physicians said Dyspepsia, some Consumption. One said I would not live until Spring. For four years I existed on boiled milk, soda biscuits and doctor's prescriptions. I could not digest anything I ate. Then I picked up one of your Almanacs and it happened to be my life saver. I bought a fifty-cent bottle of KODOL and the benefit I received from that bottle of KODOL and the benefit I received from that bottle all the gold in Georgia could not buy. In two months I went back to my work, as a machinist, and in three months was well and hearty. May you live long and prosper."—C. N. Cornell, Roding, Ga., 1906. The above is only a sample of the great good that is daily done everywhere by Kodol for Dyspepsia. It is sold here by R. C. Dodson.

I know that prices have increased,
It keeps me busy planning,
To pay my rent and grocery bill,
And keep the household running,
But though I toil twelve hours each day,
I now must speak the truth,
Tis me that is a happy man,
Since baby cut his tooth.
No more I walk the floor at night,
No more my feet do pain me,
And if at times I did get mad,
No married man will blame me,
But now I wear a pleasant smile,
I feel returning youth,
My troubles all have passed away,
Since baby cut his tooth.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is dark or is scanty, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.
