

**SCIATIC TORTURE**

**A Locomotive Engineer Tells How He Was Cured by Dr. Williams' Pink Pills.**

Pain that seems almost unbearable is a characteristic of sciatic rheumatism. In some cases the pain is knife-like, sharp or shooting; in others it is dull and aching. Sciatica is stubborn in resisting treatment and the patient frequently suffers for years. This was the case with Mr. Herbert E. Spaulding, a locomotive engineer on the Cincinnati, New Orleans & Texas Pacific Railway, whose home is at Longview, Texas.

"While running an engine some years ago," he says, "I fell off and hurt my knee and spine and I have always considered this to be the cause of my illness. The sciatica took hold of me from my heel to the back of my head. The pain was the worst I ever suffered in my life and my leg and back were twisted out of shape. I was under a physician's care for several months and for six months could not get out of bed. I also went to Hot Springs but came back in a worse condition than when I went."

"It was when I was down in bed that I heard of the case of a Mr. Allison, a much older man than myself, who had been cured of sciatica by Dr. Williams' Pink Pills. I began taking the pills and soon was able to get out of bed. When I had taken six boxes I was able to work about the house and yard. I kept right on with the pills until I was cured and I have never had any return of the trouble. I have been running an engine ever since."

Dr. Williams' Pink Pills are sold by all druggists, or sent postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

**Triumph of American Duchess.** Helen, duchess of Manchester, is now lady-in-waiting to Queen Alexandra, and the first American to receive that honor. It is a royal distinction tremendously valued by English nobility, and the next step is the political plum to be made mistress of the robes.—Boston Herald.

**Stood the Test.** Alcock's Plasters have successfully stood the test of sixty years' use by the public; their virtues have never been equaled by the unscrupulous imitators who have sought to trade upon their reputation by making plasters with holes in them, and claiming them to be "just as good as Alcock's." Alcock's plasters stand to-day indorsed by not only the highest medical authorities, but by millions of grateful patients who have proved their efficacy as a household remedy.

**Worn Down by Five Years of Suffering from Kidney Complaint.**

Mrs. Remetha Myers, of 180 South Tenth St., Ironton, O., says: "I have worked hard in my time and have been exposed again and again to changes of weather. It is no wonder my kidneys gave out and I went all to pieces at last. For five years I was fading away and finally so weak that for six months I could not get out of the house. I was nervous, restless and sleepless at night, and lame and sore in the morning. Sometimes everything would whirl and blur before me. I bloated so badly I could not wear tight clothing, and had to put on shoes two sizes larger than usual. The urine was disordered and passages were dreadfully frequent. I got help from the first box of Doan's Kidney Pills, however, and by the time I had taken four boxes the pain and bloating were gone. I have been in good health ever since."

**WILLING TO LET HIM DIE.**

**Stinging Message Sent by Farmer Worsted in Business Deal.**

In the old colony town of Scituate, Mass., once lived Deacon J., who had a yoke of oxen he desired to sell. The news reached the ears of Farmer T., who lived in another portion of the town, who was in want of a pair. So he visited the deacon, who met him with a gracious smile and led him to the oxen, which were chewing their cud and to all appearances ready for any amount of toil.

After some bargaining a difference of five dollars remained. Finally the deacon said: "I am old and feeble, and shall not live long, and five dollars will be of no account," so the bargain was made. Farmer T. took the oxen home. They proved worthless, could not work, and had been heated. He felt provoked at being sold, and seeing a person the next day who was going to the part of the town where the deacon lived, said: "You tell Deacon J. he need not live another 4-d minute longer on my account."

**TACK THIS UP.** Simple Advice Which May Prove of Untold Value.

At the first sign of Backache or pain in the region of the Kidneys, or weakness and Urinary trouble, the following simple prescription should be used:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Take a teaspoonful after each meal and at bedtime.

Any good prescription pharmacy will supply these three ingredients at small cost, which can easily be mixed by shaking well in a bottle. This is said to force the Kidneys to filter the "sour acids and poisons from the blood, overcoming the worst cases of Rheumatism."

**Secret of Japan's Success.** Gen. Sir Ian Hamilton of the British army wrote the evening after one of the great battles which he had witnessed between the Russians and Japanese in the recent war in Manchuria: "To bed! Although it is with reluctance that I prepare to lose my grip of the exciting consciousness that I have to-day seen the most stupendous spectacle that it is possible for mortal brain to conceive—Asia advancing, Europe falling back; the wall of mist and the writing thereon." Then as to the meaning of this retreat of Europe before advancing Asia: "The more I think the more certain I am that it was not strategy or tactics, or armament or information, which won the battle of Liaoyang for Oyama, but that it was rather the souls of the Japanese troops which triumphed over the less developed, less awakened, less stimulated qualities of the Russians."

**THREE BOYS HAD ECZEMA.** We're Treated at Dispensary—Did Not Improve—Suffered Five Months—Perfect Cure by Cuticura.

"My three children had eczema for five months. A little sore would appear on the head and seemed very itchy, increasing day after day. The baby had had it about a week when the second boy took the disease and a few sores developed, then the third boy took it. For the first three months I took them to the N— Dispensary, but they did not seem to improve. Then I used Cuticura Soap and Cuticura Ointment and in a few weeks they had improved, and when their heads were well you could see nothing of the sores.
