SHORT TALKS BY L. T. COOPER.

NERVOUSNESS.

Nervousness makes people miserable, blue, and unhappy. They think something terrible is going to happen. At night they toss and worry and are not rested. They tire easily and haven't much energy. They think many things are the matter with them... Consumption, Kidney trouble, or twenty other diseases. It's just stomach trouble, nothing else in the world. Two bottles of Cooper's New Discovery will put the stomach in shape in three weeks. I know this because I've seen it tried a thousand times. Then all nervousness will disappear. I know this too, because I've seen it happen a thousand times. Here's a letter I got the other day: "My system was badly run down and my stomach and nerves in an awful shape. I could not digest my food, was always tired and would often feel faint and dizzy." "I had heard so much of your New Discovery medicine that I began taking it. Relief and strength and happiness were found in the very first bottle and the benefit I have received from it has been truly wonderful. I am no longer nervous, my appetite and digestion are good and I eat everything and sleep well." Mrs. W. J. Schaurer, 220 Guthrie St., Louisville, Ky.

We sell Cooper's New Discovery. It makes tired, worn out, nervous people happy. R. C. Dodson, Druggist.

Heart Strength

Started Early Enough. "I want to talk to you, Mary, about that young man of yours," said her father. "When did he say good night to you last evening?" "At 10 o'clock," replied the fair girl. "What? Why, it was 1 o'clock at least!" "Oh, that was when he finished saying it!"—Philadelphia Ledger. His Second Book. "Your first book, if it is a success, generally leads to the success of the second," remarked a rising author. "Yes, indeed," said another. "It was the success of my first book that made my second. My second book," he added, "was a bank book."

Old Age and Rushing.

You may join the mile a minute class, but no oil has been discovered yet that will keep all the cogs in condition. Good old age was never a sequel to a rush.—Manchester Union.

Modern Irish.

As a professional student of languages I have no hesitation in saying that modern Irish is more difficult than ancient Greek.—Manchester Guardian.
