Mr. Comley is a representative of the Curwensville Liars Club, and the organizer of the Cameron Club. President Lester gave the following as a true story. In a lumber camp two Bohunks came for work and were hired, and the boss sent them to the tool house for the saw to cut down trees, but in some way they did not know what a saw was but took the spike sledge, but the boss showed them how a saw was to be used. So when they came in at noon the boss asked them how many logs they had sawed, they stated that they had sawed 16 large logs. Lester claims this to be the truth, as he saw it done himself. Sinnamahoning members and all club members are invited to attend. Their next meeting will be held in the hall, next Saturday, May 4th, a special meeting being called for installing officers. The goat has not been used for some time and a lively time is expected. Come one, come all.

SHORT TALKS BY L. T. COOPER.

INTERNAL PARASITES.

Cooper's New Discovery has taught me many things. Not least of which is that parasites or tape worms as they are called are responsible for an immense amount of suffering. Thousands of these creatures have been brought to me by people who have taken the New Discovery and I now know that an immense amount of supposed stomach trouble is caused in reality by one of these parasites. A man or woman may be afflicted in this manner for years and not realize the true cause of their suffering. When I first sold Cooper's New Discovery I did not know that the medicine would remove this trouble. I have since found that it invariably does so. The following letter is a fair sample of the symptoms as experienced by an individual thus affected:

"I was always tired. My stomach bloated and the slightest exertion made me sick, weak and dizzy. My appetite was variable and a good nights sleep was unknown to me. When I awoke in the mornings I had a bad taste in my mouth and a coated tongue. I heard of the wonderful benefits that were being derived from Cooper's New Discovery, and decided to try it."

"The horrible tape worm, sixty feet long that had been sapping my life away, passed from my system alive and squirming after I had taken three doses. Now I have a splendid appetite, every trace of stomach trouble has disappeared and my digestion is good. I sleep well and am gaining in strength every day." Nick Emmerick, 1344 Louis Ave., Milwaukee, Wis.

We are authorized agents for the Cooper medicines. Call and let us tell you more about them.

He Held Up the Train.

A German traveler who tried to pass a meal ticket on the train was told by the conductor that he would have to pay the regular fare of 35 cents. The German argued and refused to pay more than 25 cents, whereupon the conductor stopped the train and put him off. In a twinkling the traveler ran ahead of the engine and started to walk on the track. The engineer blew his whistle, but the irate German turned, shook his fist and called out: "You can vistle all you want to. I von't come pack."

The Great Bustard.

The great bustard is the rarest bird that comes under the head of game. This bird formerly haunted all the level counties of England and was particularly common on Salisbury plain. From the reign of Henry VIII. repeated measures were passed in order to protect it, and it is expressly included under the head of game in the statute of the first year of the reign of William IV. which codified and reformed the laws relating to game.

A Good Pair of Boots.

"You know," said a "smart" young man to a girl, "some one has said that 'if you would make a lasting pair of boots take for the sole the tongue of a woman.'"

"Yes," replied the girl, "and for the uppers you ought to take the cheek of the man who said it."

Our Best Friend.

Alexander Benton, who lives on Rural Route 1, Port Edward, N. Y., says: "Dr. King's New Discovery is my best earthly friend. It cured me of asthma six years ago. It has also performed a wonderful cure of incipient consumption for my son's wife. The first bottle ended the terrible cough, and this accomplished, the other symptoms left one by one, until she was perfectly well. Dr. King's New Discovery's power over coughs and colds is simply marvelous." No other remedy has ever equaled it. Fully guaranteed by L. Taggart Druggist. 50c and \$1.00. Trial bottle free.

Indigestion

Stomach troubles is but a symptom of, and not in itself a true disease. We think of Dyspepsia, Heartburn, and Indigestion as real diseases, yet they are symptoms only of a certain specific Nerve sickness—nothing else. It was this fact that first correctly led Dr. Shoop in the creation of that now very popular Stomach Restorative—Dr. Shoop's Restorative. Going direct to the stomach nerves, Shoop brought that stress and favor to Dr. Shoop and his Restorative. Without that original and highly vital principle, no such lasting accomplishments were ever to be had. For stomach distress, bloating, biliousness, bad breath and shallow complexion, try Dr. Shoop's Restorative—Tablets or Liquid—and see for yourself what it can and will do. We sell and cheerfully recommend.
