FROM OUR REPORTERS.

FIRST FORK.

M. J. Colcord, of the Potter Journal, who was here the fore part of last week, looking after his business interests, and incidentally taking a few of the "speckled beauties," and that word *few* covers the situation exactly.

A gang of 15 fishermen were stopping at W. W. Wykoff's last week and another gang of nine at Joe Burlingame's, but owing to the scarcity of fish and spring weather, they returned to their respective cities on Saturday, and though not overlaid with brain food, may be wiser next time, and wait till spring opens.

The snow and heavy freeze of the last two nights, has made the prospect of fruit look pretty sickly.

Strange how the bears got onto the racket that they are protected game now. One night last week, a little before dark one came and swiped one of Wash. Wykoff's sheep and though several men and dogs chased him clear to the top of the hill, they failed to get a shot at him. He was a big fellow. A day or two afterwards C. E. Logue saw a smaller one right in the road below Mr. Bowers'.

Mr. Bowers is recovering slowly from his sickness and was able to walk up to the post office a few days ago.

Bingham Ross, of Cross Fork, youngest son of Sol. Ross, was buried at Wharton Church on Sunday afternoon, May 12th. Rev. Heim conducted the services.

SHORT TALKS BY L. T. COOPER.

NERVOUSNESS.

Nervousness makes people miserable, blue, and unhappy. They think something terrible is going to happen. At night they toss and worry and are not rested. They tire easily and haven't much energy. They think many things are the matter with them—

MRS. W. J. SCHAUER.

Consumption, Kidney trouble, or twenty other diseases. It's just stomach trouble, nothing else in the world. Two bottles of Cooper's New Discovery will put the stomach in shape in three weeks. I know this because I've seen it tried a thousand times. Then all nervousness will disappear. I know this too, because I've seen it happen a thousand times. Here's a letter I got the other day:

"My system was badly run down and my stomach and nerves in an awful shape. I could not digest my food, was always tired and would often feel faint and dizzy."

"I had heard so much of your New Discovery medicine that I began taking it. Relief and strength and happiness were found in the very first bottle and the benefit I have received from it has been truly wonderful. I am no longer nervous, my appetite and digestion are good and I eat everything and sleep well."

Mrs. W. J. Schaurer, 220 Guthrie St., Louisville, Ky.

We sell Cooper's New Discovery. It makes tired, worn out, nervous people happy.

R. C. Dodson, Druggist.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine scalds, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative mouth-Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.
