Cure for Asthma.

An exchange says: The skin of a muskrat taken and worn next to the chest will cure any case of asthma in the world, said A. L. Davis, of Louisville. "I had an uncle who suffered a thousand deaths with asthma and tried everything that could be bought in the way of medicine. Finally one day an old time friend told him of the muskrat skin and he tried it. In two months he was as well as he had ever been. Just how the skin works about a cure is a mystery, but it will do it."

In a Scotch Sunday school the lady teacher, after speaking on the subject of death, asked, "And what comes aft-er death?" Instantly a little girl called out eagerly, "A fight about the money.
