The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Buying Clothes.

"I suppose everybody has some plan of making purchases," said a man holding a list of wearing apparel that he was about to buy. "Do you see those two articles I have crossed off? I am not going to buy them till the end of the season, when the price will be cut. For the same reason I am not going to lose a day in securing the articles not crossed off. The two articles I cut out I can wait for without much inconvenience. As for the others, since I have to buy them in season and pay the regular price, I will buy them at once and have at least a month and a half's extra use of them. That makes me break even with the end of the season. I save by purchasing early and late, though the early purchases I deem most economical, particularly in things where style is a consideration."—Columbus Dispatch.

The Oldest Book.

The oldest book in the world to which a positive date can be assigned is an assortment of proverbs somewhat after the style of the proverbs collected by Solomon. The work is accredited to Pth-hotep, an Egyptian king, and Egyptologists assign to it an antiquity of at least 3000 B. C. Abraham was called to leave his home in Ur of the Chaldees 1921 B. C., so that this volume was written 1100 years before the beginning of Jewish history. The deluge is placed by most chronologists at B. C. 2348, so the book, if its dating is correct, must have been written before the flood. Methuselah was born B. C. 3317, so that this pyrus was prepared and these proverbs were collected when the oldest man on record was a lively young fellow of 300 years.

She Got Wise.

A Laramie woman went to the theater the other night with some friends, but when they were seated she was separated from her friends by a man and woman who seemed to pay no attention to each other. The woman figured out that if the two people would sit over a seat she could sit with her friends. Bracing up her nerve, she said sweetly to the man, "Beg pardon, are you here alone?" The man stared at the curtain as if he were drawing a salary for it. "I beg pardon," the woman said a little louder, "are you alone?" "Get wise," whispered the man hoarsely through the extreme corner of his mouth; "this is my wife."—Laramie Boomerang.

Catarrh

To prove unquestionably, and beyond any doubt, that Catarrh of the nose and throat can be cured, I am furnishing patients through druggists, small free Trial Boxes of Dr. Shoop's Catarrh Cure. I do this because I am so certain, that Dr. Shoop's Catarrh Cure will bring actual substantial help. Nothing certainly, is so convincing as a physical test of any article of real genuine merit. But that article must possess true merit, else the test will condemn, rather than advance it. Dr. Shoop's Catarrh Cure is a snow white, healing antiseptic in put up in beautiful nickel capped glass jars at 50c. Such soothing agents as Oil, Eucalyptus, Thymol, Menthol, etc., are incorporated into a velvety, cream like Petroleum, imported by Dr. Shoop from the Catskills. If Catarrh of the nose and throat has extended to the stomach, then by all means also use internally, Dr. Shoop's Restorative. Sore throats, a large general strengthening, bloating, biliousness, bad taste, etc., surely call for Dr. Shoop's Restorative. For unaccompanied catarrh only of the nose and throat nothing else, however, should be used but

I will mail you free, to prove merit, samples of my Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys, Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy ever claims to treat the "inside nerves" Also for bloating, biliousness, bad breath or complexion use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by all dealers.

When there is the slightest indication of indigestion, heart burn, flatulence or any form of stomach trouble take a little Kodol occasionally and you will be afforded prompt relief.
