BLUE BELL.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol. For Indigestion and Dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by R. C. Dodson.

HUNTLEY.

The people of Mason Hill and Huntley are requested to mail all their letters with Major English of the R. F. D., as the amount of the cancellation is what keeps the route up and we understand that the service will be cut to three trips a week unless the cancellation improves. This reducing of trips will mean also a reduction in the salary of our worthy mail messenger and it is up to us to give all the assistance possible to Major English.

Squire J. F. Sullivan and daughter Ruth left on the evening mail Tuesday evening for Rochester, N. Y., to visit his mother who is very ill.

The Rev. Mr. Gibbs, of Houghton, N. Y., preached at the Huntley Church Sunday evening to a large congregation. The members of the church are warm in their praise of the Rev. Gibbs' ability as a speaker and of his earnest work in this circuit.

Huntley is quiet at this time of year except for the humble "Press" Correspondent and his cattle furnishing diversions to several of the citizens. We are glad to be able to break the monotony of routine every day life when it can be done consistently.

Mary Ellen Ryan says: "A little novelty now and then, is relished by the wisest men; And though sometimes we meet in strife, Diversion is the spice of life."

The Jersey calf belonging to Squire Sullivan was badly bitten by dogs on the mountain Monday afternoon. The dogs mistook the calf for a deer. The calf is improving under the administration of Dr. Bentley's Universal Spavin Linctament for sale by W. R. Smith, S. T. N.

J. F. S. PER K.

"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during the hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomachs as much as possible by the use of a little Kodol. For Indigestion and Dyspepsia, which will rest the stomach by digesting the food itself. Sold by R. C. Dodson.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—cures blood pressure away from pain centers. Its effect is charming, pleasingly delightful. Gently, though safely, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That surely is a certainty, for Dr. Shoop's Headache Tablets stop it in 20 minutes, and the tablets simply distribute the unnatural blood pressure.

Bruse your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply Common Sense.

We sell at 25 cents, and cheerfully recommend

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.
