No more pleasing sight could be afforded than a glimpse of the familiar face of Pennsy foreman, L. B. Munsell, who waved at us as he was passing on the flyer Sunday, enroute for Emporium. We are glad that "Barney" is able to be around again and hope he will have unlimited good health in the future.

As Homer Ives was crossing the Big Run wagon bridge Thursday afternoon with a load of ties the bridge collapsed and let the wagon and its contents into the creek. Fortunately no damage was done to the team or wagon and aside from a severe shaking up Mr. Ives escaped injury. Supervisor Levi Smith and pathmaster Logue, assisted by John Jordan and Clyde Collins, have repaired the bridge so it is safe again.

Supervisor Levi Smith killed a rattler with seven rattles on, and a copperhead with ten coppers on Friday afternoon. Levi said he was rattled when he saw the rattler but after he copped the copperhead his nerve came back all right.

Signal repairman W. R. Smith, brought a few sheets of Dr. Ashmore's affectionate fly paper over to the tower to reduce the flies and in some way or other it fell right side up in Squire Sullivan's chair, just as he was sitting down to copy a message. The consequences were that a good pair of Jasper Harris' \$3.00 pants will have to have a new dashboard and the Squire is wearing overalls.

Rumors are circulating that Levi Smith and John Jordan intend to start an onion syndicate in the near future and that architects from Pittsburg have already submitted plans for an immense hot house to cover an area of six acres. These gentlemen expect to leave in a short time for California to inspect the vegetables growing in that section and will select different varieties of seed to bring back with them. It was impossible for the newspaper reporters to obtain an interview with these gentlemen but

Mr. Jordan promises us a full report of the operations in the near future. It is understood that Darius Ives will take a course on gardening and have full charge of the plant.

Signalman W. R. Smith, assisted by operator A. S. Getchell, will equip Mr. Smith's residence with electric lights and also install an arc light on the street in front of the house. This will be of great benefit to the town and especially the people returning from the theatre, who take the trolley at this point.

Squire Sullivan called on yardmaster Newton of Emporium, Monday and had one of his chickens turned on the turntable at the round house. When the chicken was born it was headed south and could not go in any other direction, but after being turned it seems to be O. K.

I will mail you free, to prove merit, samples of my Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the Heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy ever claims to treat the "inside nerves". Also for bloating, biliousness, bad breath or complexion use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by all dealers.

Those who have stomach trouble, no matter how slight, should give every possible help to the digestive organs, so that the food may be digested with the least effort. This may be done by taking something that contains natural digestive properties—something like Kodol. For indigestion and dyspepsia. Kodol is a preparation of vegetable acids and contains the very same juices found in a healthy stomach. It digests what you eat. Sold by R. C. Dodson.

Endorsed by the County.

"The most popular remedy in Otsego County, and the best friend of my family," writes Wm. Dietz, editor and publisher of the Otsego Journal, Gilbertsville, N. Y., "is Dr. King's New Discovery. I believe it to be the most valuable prescription known for lung and throat diseases." Guaranteed to never disappoint the taker, at all drug stores. Price 50c and \$1.00. Trial bottles free.

"Regular as the Sun."

Is an expression as old as the race. No doubt the rising and setting of the sun is the most regular performance in the universe, unless it is the action of the liver and bowels when regulated with Dr. King's New Life Pills. Guaranteed by all druggists. 25c.

"We never repent of eating too little," was one of the ten rules of life of Thomas Jefferson, president of the United States, and the rule applies to every one without exception during the hot weather, because it is hard for food, even in small quantities, to be digested when the blood is at high temperature. At this season we should eat sparingly and properly. We should also help the stomachs much as possible by the use of a little Kodol. For indigestion and dyspepsia, which will rest the stomach by digesting the food itself. Sold by R. C. Dodson.

Everybody loves our baby, rosy, sweet and warm. With kissy places on her neck and dimples on her arms. Once she was so thin and cross, used to cry with pain—Mother gave her Cascasweet, now she's well again. Sold by R. C. Dodson.

The Federal Convention

There were sixty-two members of the convention that framed the constitution of the United States. Of these the men who wielded the greatest influence were Washington, Franklin, Hamilton and Madison. Washington's devoted patriotism, Franklin's unflinching common sense, Hamilton's passion for nationality and Madison's unconquerable democracy, fused at last to form what Mr. Gladstone called "the greatest piece of work that ever sprang from the human mind."

The Valuable Book.

"I never met a more ignorant man than Nurtich," said Mugley. "What he doesn't know would fill a good many books."

"Yes," replied Wise. "But what he does know seems to have filled one pocketbook at least."—Philadelphia Press.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible. But I can now surely kill the pains and pang of this deplorable disease.

In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient I successfully treated many cases of Rheumatism; but now, at last, it uniformly cures all curable cases of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer with our help. We sell, and in confidence recommend

Sour Stomach

No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.

Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."

Kodol Digests What You Eat. Bottles only. Relieves indigestion, sour stomach, belching of gas, etc. Prepared by E. C. DODDITT & CO., CHICAGO.
