PENNSYLVANIA RAILROAD

Bulletin. BALTIMORE OLD HOME WEEK.

Maryland is sending invitations to her sons and daughters scattered everywhere to come to a grand reunion, and is making extensive preparations to give them when they come, a week of right royal entertainment.

New Baltimore, sprung Phoenix-like from the ashes of the fire of 1904, will make of Old Home Week, October 13 to 19, one continual round of patriotic and civic display.

There will be an electrical pageant, a magnificent military and naval display, a gathering of patriotic societies, a parade and ball by the fraternal orders, a big concert, a night carnival.

There will also be a special pilgrimage to Annapolis on "Peggy Stewart Day," Saturday, October 19, when visitors will have an opportunity to inspect the magnificent new buildings of the United States Naval Academy and the remodeled State House, so full of historic associations.

The Homecomers will have the advantage of specially low railroad rates. The Pennsylvania Railroad will sell excursion tickets to Baltimore, October 12 to 14, good for return passage until October 21, inclusive, from all stations on its lines north and east of Shrewsbury, Principio, and Port Deposit, at a considerable reduction from the regular fare.

Every former Marylander whose address is known will receive a special invitation, issued by Governor Warfield, and the whole week will thrill with the hospitality for which the Old Line State is so famous.

For exact rates, conditions of tickets, and train service, consult nearest Ticket Agents.

CUPID OBJECTS. Dan Cupid refuses to allow his sentiments to be expressed on a cheap flimsy writing paper. To show respect and refinement and to pass Cupid's O. K. we must pen our words on a good substantial paper—one which takes the ink easily and of which we need not be ashamed. It is easy to write on a bad paper; but it is easier to do so on a good one. The cost is so little and the benefit so large, that you can't afford to use the bad. BERKSHIRE LINEN FABRIC, Correct in every detail. HARRY S. LLOYD. All Eaton-Hurlbut Papers are correct.
