Sealed Orders.

The custom of having warships sail under sealed orders arose from the desire of maritime powers to prevent the plans from becoming known to the enemy. In the American navy such orders come from the president and are delivered to a commander of a ship or squadron by a confidential messenger who knows nothing of their contents. Sometimes they are in cipher, but they are always sealed with the official seal of the navy department and the package cannot be opened until the time marked on it, which is usually several hours after the hour of leaving port. By this precaution the newspapers are prevented from disclosing prematurely the movements which may be of the greatest importance, and the spies of the enemy are rendered useless so far as their ability to discover the secret of such movements is concerned. Sailing under sealed orders is now the common naval practice in time of war. These instructions are found in the packet of sealed orders, which is opened when well out at sea.

RECORD OF THE PAST

No Stronger Evidence Can be Had in Pennsylvania.

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back, any reader suffering from urinary troubles, from any kidney ills, will find in the following evidence proof that relief and cure is near at hand:

Mrs. Daniel Yochin, of 1111 Tucker St., Williamsport, Pa., says: "What I said about Doan's Kidney Pills in 1896 stands good to-day, eight years afterwards. The longer I know this remedy the greater my confidence in it. At the time I gave my first statement for publication in our local newspapers, Doan's Kidney Pills relieved me of a very severe backache which had troubled me for 12 months. If I overtaxed myself or caught cold it was always worse. The pain in my loins was something awful, and I had other complications. Doan's Kidney Pills promptly and effectively relieved me, and I can conscientiously recommend them to any woman suffering from headache or deranged kidneys."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Stomach troubles, Heart and Kidney ailments, can be quickly corrected with a prescription known to the druggists everywhere as Dr. Shoop's Restorative. The prompt and surprising relief which this remedy immediately brings is entirely due to the Restorative action upon the controlling nerves of the Stomach, etc.

PENNSYLVANIA RAILROAD

Bulletin.

BALTIMORE OLD HOME WEEK.

Maryland is sending invitations to her sons and daughters scattered everywhere to come to a grand reunion, and is making extensive preparations to give them when they come, a week of right royal entertainment.

New Baltimore, sprung Phoenix-like from the ashes of the fire of 1904, will make of Old Home Week, October 13 to 19, one continual round of patriotic and civic display.

There will be an electrical pageant, a magnificent military and naval display, a gathering of patriotic societies, a parade and ball by the fraternal orders, a big concert, a night carnival.

There will also be a special pilgrimage to Annapolis on "Peggy Stewart Day," Saturday, October 19, when visitors will have an opportunity to inspect the magnificent new buildings of the United States Naval Academy and the remodeled State House, so full of historic associations.

The Homecomers will have the advantage of specially low railroad rates. The Pennsylvania Railroad will sell excursion tickets to Baltimore, October 12 to 14, good for return passage until October 21, inclusive, from all stations on its lines north and east of Shrewsbury, Principio, and Port Deposit, at a considerable reduction from the regular fare.

Every former Marylander whose address is known will receive a special invitation, issued by Governor Warfield, and the whole week will thrill with the hospitality for which the Old Line State is so famous.

For exact rates, conditions of tickets, and train service, consult nearest Ticket Agents.
