Score another for John Sangarfield Jordan. John S. Jordan secured another bear Tuesday morning in Dry Run. It was a young bear but in good condition. This makes five this season. John says on account of the enticing bait he uses the bears simply can't resist coming after it. He did not expect to get any more bears until the lakes froze over as the bears all went to Canada but he thinks this bear swam the lake to try Levi's onions and Williams peanut butter. Incidentally John has added four more coon skins to his collection of furs. It's Four Miles turn now. Where is Sinnamahoning?

A head on collision occurred between Angelo Bocashio, the night track walker, and a black and white polecat, one mile west of Hy Tower, Monday evening. Angelo was making fast time to reach the tower ahead of the flyer and when the crash came things happened rapidly. Angelo claims the polecat had no classification signals out but he was not long in discovering the kind of an obstruction he collided with. When Angelo reached the tower we felt that there was trouble in the air and Operator Getchell went out of the window while Sullivan and Smith fell down stairs. A warrant was sworn out by W. H. Smith and Angelo was brought before Squire Sullivan who sentenced him to buy a new pair of trousers and bury the damaged ones for a period of thirty days. Aside from the heavy air there was no further damage. Angelo says:

The little robin's song is sweet,  
The crow sings very plain;  
The polecat sings no song at all,  
But he gets there just the same.

### BACK GIVING OUT.

Plenty of Emporium Readers Have This Experience.

You tax the kidneys—overwork them. They can't keep up the continual strain.

The back gives out—it aches and pains.

Urinary troubles set in.

Don't wait longer—take Doan's Kidney Pills.

Mrs. A. J. Andrews, N. Main St., Port Allegany, Pa., says: "I have used a great many remedies for the relief of kidney trouble but have never found anything to give such beneficial effect as Doan's Kidney Pills. I suffered constantly with backache and pains. In the morning it was with the greatest difficulty that I arose and if I attempted to stoop or lift anything, sharp thrusts of pain were the result. Headaches and a tired feeling were also present and it was with difficulty that my ordinary duties were performed. Doan's Kidney Pills gave me relief at once and at the present time, I am much better in every way. For the results received, I am glad to give my grateful recommendation of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

### SINNAMAHOING.

The Liars Club met on Friday night as per call, but nothing of much interest was doing in the beginning. Frank Tice fell asleep on the waiting bench but when one of the members reported a scarcity of bucks in this vicinity, and said they had all gone to Harrisburg for a permit to camp on state lands, it brought Tice to his senses, he declared he would kill a cotton tail, horus or no horns, before the season closed. Batchelder reported he got a toe of a will cat in one of his traps, which was produced as evidence and he was fined six cents for bringing proof. There was lots of bear stories sprung and some very narrow escapes made. One member said he saw a doe and a fawn not over twenty feet from him but could not shoot as \$100 bills are a scarcity here. Pap Blodget is feeling bad as some one shot to death his pet marmoset cat, which he prized very highly he has the sympathy of the club. No further business the club adjourned sine die.
